FIRST REGULAR SESSION-1997

Legislative Document

No. 230

H.P. 175

House of Representatives, January 16, 1997

An Act to Require the Maine Land Use Regulation Commission to Consider Community Benefits when Approving Utility Line Permits.

Reference to the Committee on Agriculture, Conservation and Forestry suggested and ordered printed.

JOSEPH W. MAYO, Clerk

Presented by Representative GAGNON of Waterville.
Cosponsored by Senator CAREY of Kennebec and
Representatives: KONTOS of Windham, TESSIER of Fairfield, TOWNSEND of Portland,
VIGUE of Winslow, WRIGHT of Berwick.

2 **Be it enacted by the People of the State of Maine as follows:**

4 **Sec. 1. 12 MRSA §685-B, sub-§4, ¶G is enacted to read:**

6 G. In the case of an application to place or extend a
8 utility line, in addition to the other criteria for approval
10 set forth in this section, that there will be a demonstrated
12 benefit to the community or area proposed to receive the
14 utility service and that the proposed extension of utility
16 service will be consistent with the commission's plan for
18 residential growth or other development for the community or
20 area.

16 SUMMARY

18 This bill amends the Maine Land Use Regulation Commission's
20 criteria for approval of utility line permits. The bill requires
22 the commission, when approving utility line permits, to find that
there is a demonstrated benefit to the community or area and that
extension of utility service is consistent with the commission's
plan for residential growth or other development for the area.
