Sec. C-15. Task force on production and issuance of license plates. The Secretary of State shall convene a task force to study the production and issuance of license plates. The task force shall convene no later than May 15, 1996 and conclude its work no later than ~~November 1, 1996~~ December 1, 1998.

COMMITTEE AMENDMENT

COMMITTEE AMENDMENT "B" to H.P. 207, L.D. 260

1. **Membership.** The task force consists of 11 members selected as follows.

The President of the Senate and the Speaker of the House shall each appoint 2 members to serve as task force members. ~~Members may continue to serve after their legislative term of office has expired.~~ At the request of one of their appointees, the appointing authority may appoint another member of the committee to replace the requesting member on the task force.

The Secretary of State shall appoint 2 members representing law enforcement: one representing county sheriffs' departments and one representing municipal police departments.

The Chief of the State Police shall designate a state police officer to serve as a member.

The business manager for the bureau; the director of the public services division within the Bureau of Motor Vehicles; the director of the commercial vehicles division within the bureau; and an assistant deputy secretary of state serve as ex officio members of the task force.

The Chairs of the Joint Standing Committee on Transportation and the Secretary of State shall send a list of the people appointed to serve on the task force to the Executive Director of the Legislative Council no later than May 1, 1996.

2. **Convening of first meeting; election of chair.** The Secretary of State or a designee of the Secretary of State shall convene the first meeting of the task force no later than May 15, 1996. The task force shall select a chair from among its members.

3. **Staff and resource consultants to the task force.** The Secretary of State shall provide staff assistance to the task force. The supervisor of the Maine State Prison plate shop shall serve as a consultant to the task force. The task force may request assistance with the preparation of any recommended legislation from the Legislative Council.

4. **Purpose of task force.** The task force shall study issues relating to the design and production of license plates and make recommendations to the Legislature for the new general plate issue beginning July 1, 1999. In conducting the study the task force shall examine the following.

A. The task force shall evaluate the existing equipment at the Warren prison facility, its adequacy for meeting plate production demand and the costs of overhauling that equipment prior to a new general issue. The task force

2 shall examine state-of-the-art technology for in-house
3 graphics creation and production of specialty plates. The
4 task force shall consider costs of new equipment and the
5 impact of various types of equipment on production
6 capabilities and on jobs at the prison facility.

7 B. The task force shall consider methods of assigning
8 unique identifiers to license plates. The task force shall
9 consider use of a stacked letter system to allow duplication
10 of numbers among different types of plates. The task force
11 shall make recommendations as to the use of a single
12 numbering system or a system that allows duplication.

13 C. The Until November 1, 1996, the task force shall
14 consider designs for a new general issue plate to replace
15 the lobster plate design. The task force shall use the
16 plate design standards of the American Association of Motor
17 Vehicle Administrators in developing or evaluating designs.
18 The task force shall present design alternatives to the
19 Joint Standing Committee on Transportation before making a
20 recommendation, on or by November 1, 1996, on plate design.

21 D. The task force may consider any other issues related to
22 the production of license plates.

23 **5. Reimbursement for travel expenses.** Members of the task
24 force who are Legislators or were Legislators at the time of
25 appointment are entitled to reimbursement for travel expenses for
26 meetings of the task force. Members of the Joint Standing
27 Committee on Transportation who participated in meetings
28 initiated by the Secretary of State to study license plate
29 production issues during the period of September 1, 1995 to
30 December 31, 1995 are entitled to reimbursement for travel
31 expenses upon submitting the appropriate expense forms to the
32 Executive Director of the Legislative Council.

33 **6. Initial recommendation.** The task force shall submit a
34 an initial report including findings, recommendations and
35 proposed legislation to the Joint Standing Committee on
36 Transportation and to the Executive Director of the Legislative
37 Council no later than November 1, 1996. The task force shall
38 submit legislation to implement its recommendations to the
39 Revisor of Statutes no later than January 1, 1997. The report
40 must include a proposed plate design for the new general issue,
41 recommendations for the registration classes required to display
42 the new general issue plates and for the specialty plates to
43 remain in use concurrent with the new general issue.

44 **7. Final recommendations.** The task force shall submit its
45 final recommendations regarding the use of a single numbering

2 system or a system that allows duplication to the Joint Standing
3 Committee on Transportation and to the Executive Director of the
4 Legislative Council during the Second Regular Session of the
5 118th Legislature.

6 **Sec. 3. Transition; retroactivity.** Those members of the task
7 force to study the production and issuance of license plates who
8 were appointed pursuant to Public Law 1995, chapter 645, Part C,
9 section 15 continue to serve as members of the task force, except
10 that the 2 legislative members of the task force whose
11 legislative terms have expired must be replaced with new
12 appointees who are members of the Joint Standing Committee on
13 Transportation by the President of the Senate and the Speaker of
14 the House.

15 This section and those sections of this Act that amend
16 Public Law 1995, chapter 645, Part C, section 15 apply
17 retroactively to November 1, 1996.'

18 Further amend the bill by inserting at the end before the
19 summary the following:

34 **SUMMARY**

35 This amendment is one of 2 minority reports of the Joint
36 Standing Committee on Transportation.

37 The amendment establishes the new general issue registration
38 plate design as an illustration of the West Quoddy Headlight.

39 The amendment also requires the Secretary of State to seek
40 the advice of the joint standing committee of the Legislature
41 having jurisdiction over transportation matters when devising a
42 numbering system for the new general issue of registration plates.

43 The amendment also authorizes the continuation of the Task
44 Force on Production and Issuance of License Plates, which was
45 created by Public law 1995, chapter 645, Part C, section 15,
46 through the 118th Legislature. Members of the task force shall
47 continue to serve, except that the 2 legislative members whose
48 terms have expired must be replaced with new appointees who are
49 members of the Joint Standing Committee on Transportation by the
50 President of the Senate and the Speaker of the House.

COMMITTEE AMENDMENT "b" to H.P. 207, L.D. 260

2 legislative terms have expired must be replaced with new
appointments by the President of the Senate and the Speaker of
4 the House. The amendment charges the task force with continuing
its study of the equipment and technology used for the production
6 of license plates and the methods of assigning identifiers to
license plates.

8 The amendment also adds a fiscal note to the bill.
