**STATE OF MAINE
SENATE
118TH LEGISLATURE
FIRST SPECIAL SESSION**

COMMITTEE AMENDMENT " A " to S.P. 191, L.D. 609, "Resolve, Concerning Reauthorization of the \$9,000,000 Bond Issue for Construction of Water Pollution Control Facilities"

Amend the resolve by inserting at the end before the summary the following:

FISCAL NOTE

This resolve reauthorizes a \$9,000,000 bond issue for construction of water pollution control facilities approved by the voters in November 1990 that currently has an unissued balance of \$500,000. Since this question does not need to go back to the voters, no additional referendum expenditures will result. The Office of the Treasurer of State has indicated that no additional appropriations will be required since available appropriations to the Debt Service account are sufficient to cover the additional principal and interest costs related to this reauthorization.'

SUMMARY

This amendment adds a fiscal note to the resolve.
