FISCAL NOTE

This amendment replaces the appropriation and allocation sections with a transfer of annual General Fund appropriations of \$180,000 from the Maine Technical College System to the Department of Labor beginning in fiscal year 1997-98.

The bill significantly expands the apprenticeship program administered by the Department of Labor. The costs of administering this expanded program are estimated to be at least \$356,252 and \$338,305 in fiscal years 1997-98 and 1998-99, respectively. This amendment removes the additional General Fund appropriations provided for this purpose.
