This bill establishes the state costs for administering the  
unorganized territory in fiscal year 1997-98. Since these  
amounts are based on currently budgeted expenditures, this bill  
will not affect General Fund revenue or appropriations. These  
state costs established in this bill are incorporated into the  
tax assessment for the unorganized territory which is also  
established in this bill. The tax assessment is collected as  
dedicated revenue to the Unorganized Territory Education and  
Services Fund.'
