SUMMARY

40

This amendment replaces the substance of the bill and
removes reference in the charter of the Bath Water District to
trustee compensation. The methodology for establishing and
changing trustee compensation is established pursuant to the
Maine Revised Statutes, Title 35-A, section 6401, subsection 2
and section 6410, subsection 7. This amendment removes any
confusion created by old residual language in the charter of the
Bath Water District relating to trustee compensation that is void
pursuant to these provisions of Title 35-A.
