JOY J. O'BRIEN Secretary of the Senate

Presented by President LAWRENCE of York. Cosponsored by Senators: ABROMSON of Cumberland, LaFOUNTAIN of York, LONGLEY of Waldo, RAND of Cumberland, Representative: SAXL of Bangor.

| Be it enacted by the People of the State of Maine as follows: |
|---|
| Sec. 1. 24 MRSA §2320-F is enacted to read: |
| §2320-F. Off-label use of prescription drugs for cancer, HIV or |
| ALDS |
| 1. Definitions. As used in this section, unless the |
| context otherwise indicates, the following terms have the following meanings. |
| A. "Off-label use" means the prescription and use of drugs for indications other than those stated in the labeling |
| approved by the federal Food and Drug Administration. |
| B. "Peer-reviewed medical literature" means scientific studies published in at least 2 articles from major |
| peer-reviewed medical journals that present data that supports the proposed off-label use as generally safe and |
| effective, unless there is clear and convincing contradictory evidence presented in another major |
| peer-reviewed medical journal. |
| C. "Standard reference compendia" means: |
| (1) The United States Pharmacopeia Drug Information, |
| or information published by its successor organization; or |
| (2) The American Hospital Formulary Service Drug |
| Information, or information published by its successor organization. |
| 2. Required coverage for off-label use. All individual and |
| group nonprofit hospital and medical services plan contracts and nonprofit health care plan contracts that provide coverage for |
| prescription drugs must provide coverage for off-label use in accordance with the following. |
| A. Individual and group nonprofit hospital and medical |
| services plan contracts and nonprofit health care plan contracts that provide coverage for prescription drugs may |
| not exclude coverage for any such drug used for the treatment of cancer, HIV or AIDS on the grounds that the |
| drug has not been approved by the federal Food and Drug Administration for that indication, as long as that drug is |
| recognized for the treatment of that indication in one of the standard reference compendia, or in peer-reviewed |
| the standard reference compendia, or in peer-reviewed |

| 2 | B. Coverage of a drug required by this subsection also includes medically necessary services associated with the administration of the drug. |
|--|---|
| 4 | |
| | C. This subsection may not be construed to require coverage |
| 6 | for a drug when the federal Food and Drug Administration has |
| | determined its use to be contraindicated for treatment of |
| 8 | the current indication. |
| 10 | D. A drug use that is covered pursuant to paragraph A may |
| 2.0 | not be denied coverage based on a "medical necessity" |
| 12 | requirement except for a reason that is unrelated to the |
| | legal status of the drug use. |
| 14 | |
| | 3. Application. The requirements of this section apply to |
| 16 | all policies, contracts and certificates executed, delivered, |
| 18 | issued for delivery, continued or renewed in this State on or after January 1, 1999. For purposes of this section, all |
| 10 | contracts are deemed to be renewed no later than the next yearly |
| 20 | anniversary of the contract date. |
