F. Perform other functions necessary to accomplish the purposes of this chapter.

10 §6904. Raw material credit

12 1. Credit. An approved vendor is eligible for a nonrefundable credit under Part 8 equal to 25% of the price 14 received by the vendor for certified raw material sold to an approved zone consumer. An approved vendor who sells raw 16 material through a distributor or broker is also eligible for the credit.

- 2. Approval of vendors. The board shall adopt standards
 20 for approval of vendors for the raw material tax credit and certify which vendors are eligible for the credit. Approval is
 22 for a period of time not to exceed 180 days and may be renewed. The board shall by December 31st annually provide the State Tax
 24 Assessor with a list of approved vendors and periods of time for which they were approved.
- 3. Certification of raw material. The board shall certify
 raw material as eligible for the raw material tax credit. The board shall consider the source of the raw material and shall
 give preference to raw material from the zone or an area near the zone. The board may not certify raw material from outside of
 Aroostook County unless the vendor can demonstrate that the raw material can not be reasonably obtained within Aroostook County.
