SUMMARY

28 This amendment is the majority report of the Joint Standing
30 Committee on State and Local Government.

30

32 The amendment removes the provision that gives the
34 Legislative Compensation Commission's recommendations on
36 compensation the force of law unless the Legislature specifically
38 overrides them. Instead, the amendment requires the commission
to report its recommendations to the Legislative Council and the
Joint Standing Committee on State and Local Government. The
Chair of the Legislative Council would introduce a joint order
adopting the recommendation and directing the Joint Standing
Committee on Appropriations and Financial Affairs to describe and
fund those levels in the budget for the next legislative
biennium. A public hearing on the joint order would be held by
the Joint Standing Committee on State and Local Government, which
would then vote on the order and report its vote to the Senate
and the House of Representatives. A new compensation level takes
effect if the joint order is approved by both bodies and budget
legislation including the new compensation takes effect. Until
a new level of compensation is established pursuant to the new
law, the current level of compensation remains in effect. The
amendment changes the date of the first report from November 30,

48

COMMITTEE AMENDMENT "A" to S.P. 781, L.D. 2108

1999 to March 1, 2000 and requires the commission to report every
2 4 years rather than every 2 years.

4 The amendment also changes the term of office for members of
the commission from 4 years to 3 years and adds a requirement
6 that one member of the commission be a person who is not enrolled
in any party. The amendment also removes the requirement that
8 the proposal be put out to referendum.

10 Finally, the amendment adds a fiscal note and an allocation
section to the bill.
