**STATE OF MAINE  
SENATE  
119TH LEGISLATURE  
FIRST REGULAR SESSION**

SENATE AMENDMENT "A" to S.P. 93, L.D. 232, Bill, "An Act to Restrict the Posting on the Internet of Personal Information About Public School Students"

Amend the bill by inserting after the title and before the enacting clause the following:

**'Mandate preamble.** This measure requires one or more local units of government to expand or modify activities so as to necessitate additional expenditures from local revenues but does not provide funding for at least 90% of those expenditures. Pursuant to the Constitution of Maine, Article IX, Section 21, two thirds of all of the members elected to each House have determined it necessary to enact this measure.'

Further amend the bill by inserting at the end before the summary the following:

**'FISCAL NOTE**

This bill requires that school administrative units obtain certain approvals from parents related to the release of student information on the Internet. The additional costs of this state mandate are expected to be minor. Pursuant to the Mandate Preamble, the 2/3 vote of all members elected to each House exempts the State from the constitutional requirement to fund 90% of the additional local costs.'
