This amendment includes General Fund deappropriations of \$14,275,094 and \$15,558,913 to the Department of Administrative and Financial Services in fiscal years 1999-00 and 2000-01, respectively. The amendment also includes General Fund appropriations of \$14,275,094 and \$15,558,913 for the Department of Transportation in fiscal years 1999-00 and 2000-01.

This amendment also deletes increases in the gas tax which would have provided \$14,275,094 and \$15,558,913 in increased revenues to the Highway Fund in fiscal years 1999-00 and 2000-01, respectively.

This amendment also deletes General Fund appropriations of \$5,825 and \$6,453 in fiscal years 1999-00 and 2000-01, respectively, which are no longer necessary for the Department of Inland Fisheries and Wildlife.

SUMMARY

This amendment removes the increases in the gas tax and, to offset this removal, reduces every General Fund account across the board in order to generate funding for Highway Fund programs.
