COMMITTEE AMENDMENT "/" to H.P. 860, L.D. 1217

SUMMARY

4 This amendment replaces the bill. Under this amendment, a school administrative unit that places a student in an approved 6 transitional instruction program using English as a 2nd language or bilingual techniques under the Maine Revised Statutes, Title 20-A, section 4701, subsection 2 must receive an adjustment in 8 its state subsidy equal to the amount of supplemental costs for 10 certified instruction programs that teach English as a 2nd language instruction in the approved program. The adjustment to 12 state subsidy is limited to the salary and benefit costs of certified teachers with an endorsement in English as a 2nd 14 language or bilingual education, as well as the salary and benefit costs of education technicians providing services through 16 a transitional instruction program using English as a 2nd language or bilingual techniques that has been approved by the 18 Commissioner of Education.

20 The amendment further requires that this adjustment is limited to the amount of funds appropriated to general purpose 22 aid to local schools for this purpose. The amendment also permits the Department of Education to prorate payments to school 24 units if insufficient funds are appropriated for this adjustment, but prohibits the department from redistributing existing 26 appropriations for general purpose aid to local schools if insufficient funds are appropriated for this purpose.
