FISCAL NOTE

As amended, this bill may increase prosecutions for Class E crimes. If a jail sentence is imposed, the additional costs to the counties are estimated to be \$83.36 per day per prisoner. The number of prosecutions that may result in a jail sentence and the resulting costs to the county jail system are expected to be insignificant.

SUMMARY

This amendment removes the October 31, 2002 sunset on the law permitting commercial large game shooting areas and the provisions that make operation of a commercial shooting area a crime beginning October 31, 2002.
