(Filing No. S- 35)

Reproduced and distributed under the direction of the Secretary of the Senate.

**STATE OF MAINE
SENATE
119TH LEGISLATURE
FIRST REGULAR SESSION**

SENATE AMENDMENT "A " to H.P. 951, L.D. 1349, Bill, "An Act to Protect Citizens from the Detrimental Effects of Tobacco"

Amend the bill in section 1 in subsection 4 in the 2nd line (page 1, line 7 in L.D.) by inserting after the following: "restaurant," the following: 'hotel lounge, Class A lounge, Class A restaurant/lounge or tavern,'

Further amend the bill in section 2 in subsection 5 by striking out all of the last sentence (page 1, lines 19 to 21 in L.D.)

FISCAL NOTE

This amendment does not affect the fiscal impact of the original bill. That fiscal note is included below for informational purposes.

This bill may both increase and decrease the number of civil violations filed in the court system. The net effect on the Judicial Department's workload and administrative costs will be minimal. The net effect on the collection of fines will also be insignificant.

The Bureau of Health within the Department of Human Services will incur some minor additional costs to enforce these changes to the laws governing smoking in restaurants. These costs can be absorbed within the bureau's existing budgeted resources.
