**STATE OF MAINE
HOUSE OF REPRESENTATIVES
119TH LEGISLATURE
SECOND REGULAR SESSION**

COMMITTEE AMENDMENT "A" to H.P. 1042, L.D. 1464, Bill, "An Act to Amend the No Trespassing Zone Around the Water Intake Pipes of the Portland Water District"

Amend the bill by striking out everything after the enacting clause and before the summary and inserting in its place the following:

'Sec. 1. P&SL 1913, c. 157, §2, 2nd ¶, as amended by P&SL 1975, c. 132, §2, is further amended to read:

The restricted area is adjacent to surrounds the open end of the 1925 Portland intakes intake, so called, and is bounded on the east and south by the shore of Sebago Lake and on the west and north by an arc, the center of which is a point marked by a stake on the shore of Sebago Lake, which point is midway when measured along said shore from the intersection of said shore and the intake pipe from the 1925 intake and the intersection of said shore and the intake pipe from the 1952 intake, and the radius of which arc is includes the area within an arc whose radius is 3,000 feet as measured from the open end of the intake as located on January 1, 2000.'

Further amend the bill by inserting at the end before the summary the following:

'FISCAL NOTE

The additional workload and administrative costs associated with the minimal number of new cases filed in the court system

COMMITTEE AMENDMENT

COMMITTEE AMENDMENT "A" to H.P. 1042, L.D. 1464

can be absorbed within the budgeted resources of the Judicial Department. The collection of additional fines may increase General Fund revenue by minor amounts.'

SUMMARY

Under the bill, a 3,000-foot no trespassing zone would surround each of the 2 intakes, whereas under this amendment there would be a single zone surrounding the southernmost intake. The purpose of this change is to ensure continued boating access to the channel surrounding Indian Island in Lower Bay of Sebago Lake.
