119th MAINE LEGISLATURE

FIRST REGULAR SESSION-1999

Legislative Document

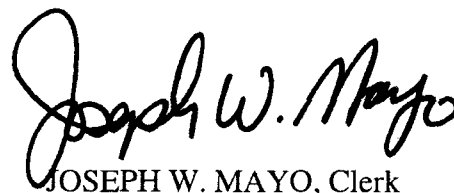

No. 1464

H.P. 1042

House of Representatives, February 23, 1999

**An Act to Amend the No Trespassing Zone Around the Water Intake
Pipes of the Portland Water District.**

Reference to the Committee on Utilities and Energy suggested and ordered printed.

JOSEPH W. MAYO, Clerk

Presented by Representative CLOUGH of Scarborough.
Cosponsored by Senator RAND of Cumberland and
Representatives: BRENNAN of Portland, CIANCHETTE of South Portland, DAVIS of
Falmouth, LABRECQUE of Gorham, USHER of Westbrook.

Be it enacted by the People of the State of Maine as follows:

2

4 **Sec. 1. P&SL 1913, c. 157, §2, 2nd ¶**, as amended by P&SL 1975, c.
133, §2, is further amended to read:

6 The restricted area ~~is adjacent to~~ surrounds each of the
Portland intakes, so called, and ~~is bounded on the east and south~~
8 ~~by the shore of Sebago Lake and on the west and north by an arc,~~
~~the center of which is a point marked by a stake on the shore of~~
10 ~~Sebago Lake, which point is midway when measured along said shore~~
~~from the intersection of said shore and the intake pipe from the~~
12 ~~1925 intake and the intersection of said shore and the intake~~
~~pipe from the 1952 intake, and the radius of which arc is~~
14 includes the area within an arc whose radius is 3,000 feet around
the open end of each such intake pipe within Sebago Lake.

SUMMARY

20

22 This bill protects the water supply maintained by the
Portland Water District by changing the way that the restricted
24 area around the intake pipes in Sebago Lake is measured. The
bill provides for the restricted area to be measured from the
intake pipes themselves instead of from a point on the shore.
