(Filing No. S- 376)

Reproduced and distributed under the direction of the Secretary of the Senate.

**STATE OF MAINE
SENATE
119TH LEGISLATURE
FIRST REGULAR SESSION**

SENATE AMENDMENT "A" to COMMITTEE AMENDMENT "A" to S.P. 490, L.D. 1475, Bill, "An Act to Clarify the Tree Growth Tax Law"

Amend the amendment in section 1 in that part designated "~~§574-C.~~" by inserting after subsection 6 the following:

'7. Application. This section applies to landowners who own 100,000 acres of land or more statewide that are classified under this subchapter.'

Further amend the amendment by striking out all of section 2.

FISCAL NOTE

Limiting the scope of random audits to landowners who own 100,000 acres of land or more will eliminate the need for additional General Fund appropriations for the Department of Conservation. The department will be able to absorb the costs of conducting the reduced number of random audits within existing budgeted resources.

SUMMARY

This amendment adds an application section for landowners who own 100,000 acres of land or more statewide.
