COMMITTEE AMENDMENT " \mathcal{H} " to H.P. 1184, L.D. 1694

SUMMARY

This amendment amends the original resolve to require the Maine State Museum and the Maine Historic Preservation Commission 4 to include, consult and involve the historical societies of Brewer and Bangor and other communities along the banks of the 6 Penobscot River in the salvage and local display of Revolutionary War-era artifacts submerged in the Penobscot River. 8 The amendment also adds a requirement that any study of the salvage 10 of Penobscot Expedition artifacts from the Penobscot River encourage a variety of public and private funding sources for any recovery project or local display effort. It deletes from the 12 original resolve the granting of the salvage rights to the Brewer 14 and Bangor historical societies.
