**STATE OF MAINE  
HOUSE OF REPRESENTATIVES  
119TH LEGISLATURE  
FIRST REGULAR SESSION**

COMMITTEE AMENDMENT "A" to H.P. 1458, L.D. 2090, Bill, "An Act to Require that Employees in 24-Hour Convenience Stores Have Access to Telephones and Alarms"

Amend the bill by striking out the title and substituting the following:

**'An Act to Require that Employees in 24-Hour Convenience Stores Have Access to Telephones or Alarms'**

Further amend the bill by inserting at the end before the summary the following:

**'FISCAL NOTE**

This bill may increase prosecutions for Class E crimes. If a jail sentence is imposed, the additional costs to the counties are estimated to be \$82.48 per day per prisoner. These costs are not reimbursed by the State. The number of prosecutions that may result in a jail sentence and the resulting costs to the county jail system are expected to be insignificant.

The additional workload and administrative costs associated with the minimal number of new cases filed in the court system can be absorbed within the budgeted resources of the Judicial Department. The collection of additional fines may increase General Fund revenue by minor amounts.'
