SUMMARY

26

This bill provides for the safety of participants,
28 volunteers and staff of the Maine Conservation Corps by providing
safety-related equipment and a safety and training officer.

30

Funding in this bill provides for a safety and training
32 officer to ensure compliance with safety standards and for
training in the safe conduct of tasks associated with the corps,
34 such as safe operation of equipment. Funding also provides for
equipment needed for safe operation of the corps.
