"Do you want to increase the number of consecutive terms for state Legislators from 4 to 6 terms?"

4 The legal voters of each city, town and plantation shall vote by ballot on this question, and shall designate their choice 6 by a cross or check mark placed within a corresponding square below the word "Yes" or "No." The ballots must be received, 8 sorted, counted and declared in open ward, town and plantation meetings and returns made to the Secretary of State in the same manner as votes for members of the Legislature. 10 The Governor shall review the returns and, if it appears that a majority of 12 the legal votes are cast in favor of the Act, the Governor shall proclaim that fact without delay, and the Act takes effect 30 14 days after the date of the proclamation.

16 The Secretary of State shall prepare and furnish to each city, town and plantation all ballots, returns and copies of this 18 Act necessary to carry out the purpose of this referendum.'

20 FISCAL NOTE

22 This amendment changes the timing of sending this measure out to referendum from November 2001 to November 2002.

The estimated cost of sending this measure out to referendum will vary according to the total number of referenda to be submitted to the voters in November 2002. The estimated cost to the Secretary of State if one to 6 referenda are enacted is \$121,392. Each additional referendum costs an additional \$8,000.

SUMMARY

34 This amendment replaces the bill. Under this amendment:

36 1. The provisions of the bill increasing the length of term limits for constitutional officers and the State Auditor are 38 eliminated;

2. The provisions of the bill extending the limit on terms for state Legislators are retained. This amendment clarifies
that the increase in term limits from 4 to 6 terms applies to consecutive terms for state Senators and members of the state
House of Representatives beginning in the 121st Legislature,
