**STATE OF MAINE
HOUSE OF REPRESENTATIVES
120TH LEGISLATURE
FIRST REGULAR SESSION**

COMMITTEE AMENDMENT "A" to H.P. 865, L.D. 1137, Bill, "An Act to Clarify the Relationship between State Agencies and Faith-based Organizations Regarding Charitable Choice Options"

Amend the bill by inserting at the end before the summary the following:

FISCAL NOTE

The Community Services Center within the Department of Human Services will require additional General Fund appropriations to offset the expected loss of federal funds due to the establishment of separate accounting and auditing requirements for certain faith-based organizations. The amount required will be based on the amount of federal funds no longer available due to noncompliance with federal provisions that place restrictions on the allowable uses of these funds. Although the exact amount in any given fiscal year can not be determined, the department has identified a potential loss of approximately \$1,400,000 annually.

The Division of Purchases within the Department of Administrative and Financial Services will incur some minor additional costs to hear any appeals that may occur as a result of the new contracting process. These costs can be absorbed within the division's existing budgeted resources.'
