Sec. 2. Interim report. The Department of Labor shall submit an interim report to the Joint Standing Committee on Labor by January 15, 2002, including the format to be used for future reports and as much of the information required pursuant to the Maine Revised Statutes, Title 26, section 3101 as is available at that time. The Joint Standing Committee on Labor is authorized to report out legislation to the Second Regular Session of the 120th Legislature in response to that report.'

Further amend the bill by inserting at the end before the summary the following:

'FISCAL NOTE

The additional costs associated with providing certain reports to the joint standing committee of the Legislature having jurisdiction over labor matters can be absorbed by the Department of Labor utilizing existing budgeted resources.'

SUMMARY

This amendment replaces the bill. It deletes the provision requiring that a certain portion of federal money be used for training and support services. It also revises the reporting requirement to provide better information in a more feasible format. The amendment requires the Department of Labor to submit an interim report to the Joint Standing Committee on Labor by January 15, 2002.

The amendment also adds a fiscal note to the bill.
