COMMITTEE AMENDMENT "A" to H.P. 1278, L.D. 1738, Bill, "An Act to Clarify Certain Professional and Occupational Licensing Requirements"

Amend the bill in Part A by striking out sections 1 to 21 and inserting in their place the following:

'Sec. A-1. 10 MRSA §9002, sub-§6, as amended by PL 1979, c. 436, is repealed and the following enacted in its place:

6. Installation. "Installation" means:

A. The affixing of manufactured housing on foundations or supports at a building site; and

B. The assembly and fastening of structural components of manufactured housing, including the completed roof system, as specified by the manufacturer's installation instructions and in accordance with the rules of the board.

For manufactured housing as defined in subsection 7, paragraphs A and C, "installation" also includes the connection to existing electrical, oil, gas, water, sewage and similar systems that are necessary for the use of the manufactured housing for dwelling purposes.'

This amendment replaces Part A of the bill with a clarification of the definition of "installation."
