STATE OF MAINE
SENATE
120TH LEGISLATURE
SECOND REGULAR SESSION

SENATE AMENDMENT "A" to COMMITTEE AMENDMENT "A" to S.P. 793, L.D. 2146, Bill, "An Act to Establish the Maine Consumer Choice Health Plan"

Amend the amendment in section 3 in that part designated "~~§4346.~~" by inserting after subsection 16 the following:

'17. Board-approved plans; report. By January 1, 2005, the board in conjunction with the superintendent and the joint standing committee of the Legislature having jurisdiction over insurance matters shall report to the Legislature on the feasibility and appropriateness of requiring all carriers licensed to offer insurance in the State to offer only board-approved plans. This subsection is repealed July 1, 2005.'

FISCAL NOTE

The amendment would add a reporting requirement to the duties of the board. Because the workload of the board and the timing of working capital advances to fund the activities of the plan and board will largely depend on decisions made by the board and its executive director, the impact of any additional duties can not be determined and are assumed to be absorbed within the specified resources of the plan.

SUMMARY

This amendment requires the Board of Directors of the Maine Consumer Choice Health Plan to report jointly with the
