12  
14 The purpose of this bill is to increase the Department of  
Professional and Financial Regulation's oversight over the Board  
of Registration for Professional Engineers.

16  
18 Under current law, the Board of Registration for  
Professional Engineers is one of the professional regulatory  
boards that is affiliated with the Department of Professional and  
20 Financial Regulation. This bill moves the Board of Registration  
for Professional Engineers to the list of regulatory boards that  
22 comprise the Office of Licensing and Registration within the  
Department of Professional and Financial Regulation.
