**Fiscal Note**

Undetermined current biennium cost increase - General Fund

**Fiscal Detail and Notes**

Requiring that the Department of Inland Fisheries and Wildlife conduct a certain survey may result in additional General Fund costs. The amounts will depend on the level of sophistication desired by the Legislature for the survey. The costs will range from a simple survey conducted by the department within existing resources to a more sophisticated survey conducted by a private vendor at a cost estimated by the department to be at least \$7,500.
