STATE OF MAINE
HOUSE OF REPRESENTATIVES
121ST LEGISLATURE
FIRST REGULAR SESSION

12

14

HOUSE AMENDMENT "A" to H.P. 835, L.D. 1132, Bill, "An Act To Simplify Calculation of Legal Interest"

16

18

Amend the bill by inserting after the title and before the enacting clause the following:

20

'Emergency preamble. Whereas, Acts of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

24

Whereas, the unification of the District Court and the Superior Court became effective on January 1, 2001; and

26

28

Whereas, since that date, there has been ambiguity and confusion regarding the proper methodology for calculating prejudgment and post-judgment interest; and

30

32

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,'

36

38

Further amend the bill by striking out everything after the enacting clause and before the summary and inserting in its place the following:

40

42

'Sec. 1. 10 MRSA §1113, sub-§4, as enacted by PL 1993, c. 461, §1, is amended to read:

44

46

4. Delayed payments. Except as otherwise agreed, if any progress or final payment to a contractor is delayed beyond the

2 due date established in subsection 3, the owner shall pay the
contractor interest on any unpaid balance due beginning on the
4 21st day, at an interest rate equal to that specified in Title
14, section ~~1602-A,--subsectien-2~~ 1602-C.

6 **Sec. 2. 10 MRSA §1114, sub-§4**, as enacted by PL 1993, c. 461,
§1, is amended to read:

8
4. **Delayed payments.** Notwithstanding any contrary
10 agreement, if any progress or final payment to a subcontractor or
material supplier is delayed beyond the due date established in
12 subsection 2 or 3, the contractor or subcontractor shall pay its
subcontractor or material supplier interest on any unpaid balance
14 due beginning on the next day, at an interest rate equal to that
specified in Title 14, section ~~1602-A,--subsectien-2~~ 1602-C.

16
18 **Sec. 3. 14 MRSA §1502-D**, as amended by PL 1989, c. 360, is
further amended to read:

20 **§1502-D. Taxing of costs; hearing**

22 The clerk shall set costs under section 1502-B and interest
under section ~~1602~~ 1602-B to the extent they appear from the
24 record. The prevailing party or the prevailing party's attorney
may submit a bill of costs for all other costs or interest to the
26 court not later than 10 days after entry of judgment and serve
copies on all parties who have appeared and may be required to
28 pay these costs. Any party required to pay all or any part of
these costs, except a party who is defaulted and has not
30 appeared, may, within 10 days after the date of service,
challenge any items of cost or interest and request review by the
32 court. The prevailing party shall, within 10 days after a
challenge, submit to the court any vouchers or other records
34 verifying any challenged items of cost or interest. Either side
may request oral argument and submit affidavits and briefs. An
36 evidentiary hearing on the reasonableness of costs or interest
will be held only when the judge determines that there exists a
38 substantial need for the hearing and the amount of challenged
costs or interest are substantial. If the presiding judge
40 determines that the imposition of costs will cause a significant
financial hardship to any party, the judge may waive all or part
42 of the costs with respect to that party.

44 **Sec. 4. 14 MRSA §1602**, as amended by PL 2001, c. 471, Pt. D,
§13, is repealed.

46
48 **Sec. 5. 14 MRSA §1602-A**, as amended by PL 2001, c. 471, Pt.
D, §14, is repealed.

50 **Sec. 6. 14 MRSA §§1602-B and 1602-C** are enacted to read:

2 **§1602-B. Interest before judgment**

4 **1. In small claims.** In small claims actions, prejudgment
6 interest is not recoverable unless the rate of interest is based
on a contract or note.

8 **2. On contracts and notes.** In all civil and small claims
10 actions involving a contract or note that contains a provision
relating to interest, prejudgment interest is allowed at the rate
12 set forth in the contract or note.

14 **3. Other civil actions; rate.** In civil actions other than
16 those set forth in subsection 2, prejudgment interest is allowed
at the one-year United States Treasury bill rate plus 3%.

18 **A.** For purposes of this subsection, "one-year United States
20 Treasury bill rate" means the weekly average one-year
constant maturity Treasury yield, as published by the Board
22 of Governors of the Federal Reserve System, for the last
full week of the calendar year immediately prior to the year
in which prejudgment interest begins to accrue.

24 **B.** If the Board of Governors of the Federal Reserve System
26 ceases to publish the weekly average one-year constant
maturity Treasury yield or it is otherwise unavailable, then
28 the Supreme Judicial Court shall annually establish by rule
a rate that most closely approximates the rate established
30 in this subsection.

32 **4. Stated rate.** When prejudgment interest is awarded
34 pursuant to subsection 2 or 3, the applicable rate must be stated
in the judgment.

36 **5. Accrual; suspension; waiver.** Prejudgment interest
38 accrues from the time of notice of claim setting forth under oath
the cause of action, served personally or by registered or
40 certified mail upon the defendant until the date on which an
order of judgment is entered. If a notice of claim has not been
42 given to the defendant, prejudgment interest accrues from the
date on which the complaint is filed. In actions involving a
44 contract or note that contains a provision relating to interest,
the rate of interest is fixed as of the time the notice of claim
46 is given or, if a notice of claim has not been given, as of the
date on which the complaint is filed. If the prevailing party at
48 any time requests and obtains a continuance for a period in
excess of 30 days, interest is suspended for the duration of the
50 continuance. On petition of the nonprevailing party and on a
showing of good cause, the trial court may order that interest
awarded by this section be fully or partially waived.

2 6. Effect on post-judgment interest. This section does not
3 affect post-judgment interest imposed by section 1602-C.
4 Prejudgment interest may not be added to the judgment amount in
5 determining the sum upon which post-judgment interest accrues.

6
7 7. Rate on accrual of interest prior to July 1, 2003.
8 Notwithstanding subsection 3, for actions in which the interest
9 begins to accrue, as determined pursuant to subsection 5, prior
10 to July 1, 2003, the rate of prejudgment interest on civil
11 actions other than those set forth in subsection 2 is as follows:

12
13 A. If the judgment does not exceed \$30,000, the rate for
14 prejudgment interest is 8%; and

15
16 B. If the judgment exceeds \$30,000, the rate of prejudgment
17 interest is the one-year United States Treasury bill rate,
18 as defined in subsection 3, plus 1%.

19
20 §1602-C. Interest after judgment

21
22 1. Rate. In all civil and small claims actions,
23 post-judgment interest is allowed at a rate equal to:

24
25 A. In actions involving a contract or note that contains a
26 provision relating to interest, the rate set forth in the
27 contract or note or the rate in paragraph B, whichever is
28 greater; and

29
30 B. In all other actions, the one-year United States
31 Treasury bill rate plus 6%.

32
33 (1) For purposes of this paragraph, "one-year United
34 States Treasury bill rate" means the weekly average
35 one-year constant maturity Treasury yield, as published
36 by the Board of Governors of the Federal Reserve
37 System, for the last full week of the calendar year
38 immediately prior to the year in which post-judgment
39 interest begins to accrue.

40
41 (2) If the Board of Governors of the Federal Reserve
42 System ceases to publish the weekly average one-year
43 constant maturity Treasury yield or it is otherwise
44 unavailable, then the Supreme Judicial Court shall
45 annually establish by rule a rate that most closely
46 approximates the rate established in this paragraph.

47
48 The applicable post-judgment interest rate must be stated in the
49 judgment, except for judgments in small claims actions.

50 2. Accrual; suspension; waiver. Post-judgment interest

2 accrues from and after the date of entry of judgment, including
4 the appeal period. In actions involving a contract or note that
6 contains a provision relating to interest, the rate of interest
8 is fixed as of the date of judgment. If the prevailing party at
10 any time requests and obtains a continuance for a period in
12 excess of 30 days, interest is suspended for the duration of the
14 continuance. On petition of the nonprevailing party and on a
16 showing of good cause, the trial court may order that interest
18 awarded by this section be fully or partially waived.

20 **Sec. 7. 14 MRSA §7487**, as enacted by PL 1999, c. 109, §1, is
22 amended to read:

24 **§7487. Interest**

26 A person who is awarded a money judgment in a small claims
28 action is entitled to post-judgment interest in accordance with
30 section 1602-A 1602-C.

32 **Sec. 8. 14 MRSA §8115, sub-§2**, as enacted by PL 1977, c. 2,
34 §2, is amended to read:

36 **2. Subdivision's plan for payment.** In the event that a
38 political subdivision has not procured insurance, the trial judge
40 may accept a reasonable plan for the payment of the amount of the
42 judgment. A payment plan shall may not exceed 5 years, and may
44 include interest at the rate provided in section 1602 1602-C.

46 **Sec. 9. 18-A MRSA §3-806, sub-§(d)**, as amended by PL 1997, c.
48 202, §1, is further amended to read:

(d) Unless otherwise provided in any judgment in another
court entered against the personal representative, allowed claims
bear prejudgment interest at the rate specified in Title 14,
section ~~1602,--subsection-1,--paragraph-A~~ 1602-B for the period
commencing 60 days after the time for original presentation of
the claim has expired unless based on a contract making a
provision for interest, in which case they bear interest in
accordance with that provision.

(1) Interest may not accrue on any allowed claims, however
allowed, against an insolvent estate, except to the extent
that insurance coverage or other nonprobate assets are
available to pay the claim in full. This paragraph is
effective for estates of decedents who die on or after
October 1, 1997.

(2) To the extent that an allowed claim against an
insolvent estate is secured by property, the value of which,

as determined under section 3-809, is greater than the amount of the claim, the holder of the claim may receive interest on the principal amount of the claim and any reasonable fees, costs or charges provided for under an agreement under which the claim arose. This paragraph is effective for estates of decedents who die on or after October 1, 1997.

Sec. 10. 22 MRSA §2172, sub-§3, ¶B, as enacted by PL 1991, c. 837, Pt. A, §49, is amended to read:

B. Licensees that are fined pursuant to this chapter are required to pay the department the amount of the penalties. If a licensee has not paid any collectible fine by the time of license renewal, the department may collect the fine by requiring payment prior to the processing of any license renewal application. An appeal of the department's decision to fine a licensee stays the collection of the fine. Interest accrues on a fine at the rate specified in Title 14, section ~~1602~~ 1602-B prior to the completion of any appeal. After the completion of any appeal process or after any appeal period has passed, interest accrues pursuant to Title 14, section ~~1602-A~~ 1602-C.

Sec. 11. 22 MRSA §2498, sub-§3, ¶B, as enacted by PL 1991, c. 591, Pt. J, §5, is amended to read:

B. Licensees that are fined pursuant to this chapter are required to pay the department the amount of the penalties. If a licensee has not paid any collectible fines by the time of its license renewal, the department may collect such fines by requiring their payment prior to the processing of any license renewal application. An appeal of the department's decision to fine a licensee stays the collection of any fine. Interest must accrue on fines at a rate described in Title 14, section ~~1602~~ 1602-B prior to the completion of any appeal. After the completion of any appeal process or after any appeal period has passed, interest must accrue pursuant to Title 14, section ~~1602-A~~ 1602-C.

Sec. 12. 22 MRSA §7946, sub-§2, as amended by PL 1989, c. 747, §2, is further amended to read:

2. **Collection of penalties; interest.** Long-term care facilities that are fined pursuant to this chapter are required to pay the department the amount of the penalties. Penalties may be collected by the department by the offset of any reimbursement due the facility, or by any other method authorized by law. An appeal of the department's decision to penalize a long-term care

1003

HOUSE AMENDMENT "A" to H.P. 835, L.D. 1132

2 facility stays the collection of any penalties. All penalties
are to be assessed for each day that the facility is or was out
4 of compliance and are to be collected with interest accruing at
the rate set by Title 14, section 1602-A 1602-C. An appeal of
6 the department's decision to penalize a long-term care facility
does not stay the assessment of any penalties or interest as long
8 as the long-term care facility continues to be in violation of
any requirement of section 7943.

10 **Emergency clause.** In view of the emergency cited in the
preamble, this Act takes effect July 1, 2003.'

14 **SUMMARY**

16 This amendment incorporates Committee Amendment "A," House
Amendment "A" and Senate Amendment "B" except that this amendment
18 amends the judicial rates of interest to equal the one-year
United States Treasury bill rate for prejudgment interest and
20 post-judgment interest rather than leaving them equal to the bank
prime loan interest rate.

22 This amendment retains the current interest rate for
24 prejudgment interest for complaints filed prior to July 1, 2003,
applying the new prejudgment interest rate only to complaints
26 filed after July 1, 2003.

28 The amendment also provides an effective date of July 1,
2003.
