SUMMARY

Committee Amendment "A" allows the Secretary of State to cancel and not suspend the motor vehicle registration for stored vehicles for which insurance coverage is cancelled, terminated or lapsed effective January 1, 2005. This amendment requires the Secretary of State to adopt rules to implement this provision and designates those rules as major substantive.

This amendment further delays the implementation of the electronic notification of insurance cancellation for one year to January 1, 2006 and delays the implementation of changes being made by this bill to that section of law.
