Exempted State Mandate

State Mandate

New or Expanded Activity

Requiring that municipalities provide certain voting-related services to those individuals participating in the Address Confidentiality Program represents a state mandate. The costs are mostly clerical, will depend on the number of program participants and are not expected to be significant. Pursuant to the mandate preamble, an affirmative vote of two thirds of the members elected to each House exempts the State from the requirement to pay 90% of the costs of these requirements.
