## SUMMARY

This bill establishes the Graduate Retention Program, the 48 purpose of which is to encourage recent college or advanced degree program graduates to work in Maine. The program is 50 available to persons who are recent graduates of a postsecondary school, have outstanding education loans and promise to work for
a Maine employer for at least 4 years. The program allows eligible participants to have an amount withheld from their pay
equal to or more than the standard withholding for Maine income taxes for a single individual. The amount withheld is paid by
the employer directly to the holder of the education loan and is considered payment of Maine income taxes by the participant.
Eligibility is limited to 4 years.
