2	Sec. LLL-7. Effective date; transition. This Part takes effect July 1, 2006, except that at the close of fiscal year 2005-06 no
4	transfers to the Local Government Fund representing June 2006 revenues may be made.'
6	revenues may be made.
8	Further amend the bill by relettering or renumbering any nonconsecutive Part letter or section number to read
10	consecutively.
12	SUMMARY
14	
16	This amendment eliminates the reduction in state-municipal revenue sharing, the transfer of funds from the Fund for the
18	Efficient Delivery of Local and Regional Services to the General Fund and the 90% limitation on reimbursement of property taxes
20	under the Business Equipment Tax Reimbursement program as proposed in the bill.
22	Part LLL changes state-municipal revenue sharing from a
24	transfer from the General Fund based on a percentage of certain General Fund revenue sources to an appropriation equal to the
26	budgeted distributions. The transition of this program results in a one-time revenue increase equal to the amount of June 2006 revenue that would be transferred from the General Fund to the
28	Local Government Fund. The only budgeted effect on transfers is the budgeted transfer to the Fund for the Efficient Delivery of
30	Local and Regional Services, which is not funded in the 2006-2007 biennium.
