7 legislative session; and

8 **Whereas,** in the judgment of the Legislature, these facts create an emergency within
9 the meaning of the Constitution of Maine and require the following legislation as
10 immediately necessary for the preservation of the public peace, health and safety; now,
11 therefore, be it

12 **Sec. 1. Task force established. Resolved:** That the Task Force to Evaluate

2 task force shall take into consideration technological achievements that may allow a
3 reduction in the number of public safety answering point sites, which may reduce costs
4 and improve the efficiency of the statewide E-9-1-1 system. The task force must also
5 address the issue of interoperability and explore means to ensure that the various entities

14 their attendance at authorized meetings of the task force. Public members not otherwise
15 compensated by their employers or other entities that they represent are entitled to receive
16 reimbursement of necessary expenses and, upon a demonstration of financial hardship, a
17 per diem equal to the legislative per diem for their attendance at authorized meetings of
18 the task force; and be it further

19 **Sec. 8. Report. Resolved:** That, no later than November 17, 2006, the task force
20 shall submit a report that includes its findings and recommendations, including suggested

28 which may grant an extension; and be it further

29 **Sec. 10. Task force budget. Resolved:** That the chairs of the task force, with
30 assistance from the task force staff, shall administer the task force's budget. Within 10
31 days after its first meeting, the task force shall present a work plan and proposed budget
32 to the Legislative Council for its approval. The task force may not incur expenses that
33 would result in the task force's exceeding its approved budget. Upon request from the
34 task force, the Executive Director of the Legislative Council shall promptly provide the
