### SUMMARY

In view of the changes to the court's rules and procedures regarding the initiation in the Superior Court of trials of felony and related misdemeanor crimes, effective January 1, 2006, the purpose of this bill is to empower the Chief Justice of the Superior Court to grant to Superior Court clerks and deputy clerks the same statutory authority to issue process for the arrest of persons charged with crimes that has heretofore been given to District Court clerks.

34 Specifically, the bill does the following.

It allows the Chief Justice of the Superior Court to authorize any clerk or deputy
 clerk of the Superior Court to issue process for the arrest of persons charged with crimes
 if the Chief Justice of the Superior Court is satisfied that the clerk or the deputy clerk has
 the necessary training and learning to perform that function.

39 2. It provides that the clerk or the deputy clerk, when authorized by the Chief Justice40 of the Superior Court to issue process and acting in that capacity, is considered a justice

of the peace with the same authority granted to a District Court clerk or deputy clerk, as
 described in the Maine Revised Statutes, Title 4, section 161.

3 3. It provides that a clerk or a deputy clerk who is authorized to issue process serves
4 in that capacity at the pleasure of the Chief Justice of the Superior Court.
