9 COMMITTEE AMENDMENT "A" to H.P. 1420, L.D. 2019, Bill, "An Act To
10 Amend the Charter of the Kennebunk Light and Power District"

11 Amend the bill by striking out all of section 2 and inserting in its place the following:

12 'P&SL 1951, c. 53, §17, as amended by P&SL 1979, c. 1 and P&SL 1981, c. 39,
13 §§1 and 2, is further amended by adding at the end 5 new paragraphs to read:

14 Notwithstanding any other provision of this section, the district, through its trustees,
15 may issue bonds, notes or other evidences of indebtedness at any one time in amounts
16 exceeding the debt limit specified in this section if a greater debt limit is established by
17 referendum in accordance with the following procedures. The trustees shall propose a
18 higher debt limit and submit it for approval in a districtwide referendum. The referendum
19 must be called, advertised and conducted according to the law relating to municipal
20 elections, except that the registrar of voters is not required to prepare or the clerk to post a
21 new list of voters. For the purpose of registering voters, the registrar of voters must be in
22 session on the regular work day preceding the election. The question presented must
23 conform to the following form:

24 "Do you favor changing the debt limit of the Kennebunk Light and
25 Power District from (insert current debt limit) to (insert proposed debt
26 limit)?"

27 The voters shall indicate by a cross or check mark placed against the word "Yes" or
28 "No" their opinion on the question.

29 The results must be declared by the trustees and entered upon the district's records.
30 Due certificate of the results must be filed by the clerk with the Secretary of State.

31 A debt limit proposal becomes effective upon its acceptance by a majority of the
32 legal voters within the district voting at the referendum. Failure of approval by the
33 majority of voters voting at the referendum does not prevent subsequent referenda from
34 being held for the same purpose. The costs of referenda are borne by the district.

COMMITTEE AMENDMENT "A" to H.P. 1420, L.D. 2019

200

1 The district may not have outstanding at any one time bonds, notes or other evidences
2 of indebtedness in amounts exceeding any debt limit established by referendum
3 conducted in accordance with this section.'

4 **SUMMARY**

5 This amendment clarifies the referendum procedure that the Kennebunk Light and
6 Power District may use to increase its debt limit.
