Legislative Study

This amendment decreases the cost of the study by not authorizing two additional meetings. It reduces the bill's Other Special Revenue Funds allocation to the Legislature to \$1,000 in fiscal year 2006-07 for offsite public hearing costs of one already authorized meeting of the Task Force to Study Maine's Homeland Security Needs. The amendment also authorizes a one-time Other Special Revenue Funds transfer of \$1,000 in fiscal year 2006-07 from the Maine Emergency Management Agency within the Department of Defense, Veterans and Emergency Management to the Legislature to cover these additional costs.
