SUMMARY

8

Public Law 2005, chapter 595 provided that rules adopted by
the State Board of Education pertaining to the approval of major
capital secondary school construction projects be designated as
major substantive rules effective January 1, 2007. This
10 amendment deletes the reference to secondary schools in the
12 enacted law since the intent of the Legislature was to amend the
Chapter 61 State Board of Education rules that pertain to the
14 approval of major capital construction projects for elementary
and secondary schools.
