**STATE OF MAINE
SENATE
123RD LEGISLATURE
FIRST REGULAR SESSION**

Majority

COMMITTEE AMENDMENT "A" to S.P. 32, L.D. 88, "Resolve, To Encourage the Use of Safe Chemicals in Public Schools"

Amend the resolve by striking out everything after the title and before the summary and inserting the following:

'Sec. 1. Department of Education to consult with the Department of Environmental Protection and the Board of Pesticides Control in promoting the implementation of green cleaning programs in schools. Resolved: That the Department of Education, referred to in this resolve as "the department," in consultation with the Department of Environmental Protection and the Department of Agriculture, Food and Rural Resources, Board of Pesticides Control, shall:

- 1. Compile a list of cleaning products that have been certified as meeting health-based criteria for safety and efficacy by a 3rd-party independent agency such as Green Seal or that have been listed by the Department of Administrative and Financial Services, Bureau of General Services, Division of Purchases as environmentally preferred janitorial products. The department shall distribute this list yearly to every school administrative unit in the State after updating the list;
- 2. Compile a list of disinfectants that have been evaluated using criteria established by the Division of Purchases or other acceptable criteria for environmentally preferred janitorial products and registered by the Board of Pesticides Control. The department shall distribute this list yearly to every school administrative unit in the State after updating the list; and
- 3. Develop recommendations for cleaning procedures that will reduce the use of toxic chemicals and improve indoor air quality while meeting performance standards for cleanliness. The department shall distribute descriptions of these recommended procedures, referred to as "green cleaning procedures," to every school administrative unit in the State; and be it further

Sec. 2. Department of Education to provide information on the regulation of pesticides. Resolved: That the department shall inform each school

COMMITTEE AMENDMENT

COMMITTEE AMENDMENT "A" to S.P. 32, L.D. 88

1 administrative unit in the State that the use of pesticides in and around schools is
2 regulated by the Department of Agriculture, Food and Rural Resources, Board of
3 Pesticides Control and provide contact information for the board. The department shall
4 advise each school administrative unit to contact the Board of Pesticides Control for
5 copies of the board's rules that apply to schools and for any assistance needed in
6 interpreting the rules; and be it further

7 **Sec. 3. Recognition of school administrative units that commit to a green**
8 **cleaning program. Resolved:** That the department shall compile and maintain a list
9 of school administrative units that have committed to implementing a green cleaning
10 program. The department shall make this list available to the public. A green cleaning
11 program is one that uses cleaning products and disinfectants on the lists distributed under
12 section 1 in a manner consistent with the green cleaning procedures described under
13 section 1.

14 **SUMMARY**

15 This amendment is the majority report of the committee. This amendment replaces
16 the resolve. The resolve directs the department to compile a list of safe alternatives to
17 chemicals used in schools as cleaning agents and pesticides and to distribute the list. The
18 amendment directs the Department of Education to take certain steps to promote adoption
19 of green cleaning programs in schools. It directs the department to consult with the
20 Department of Environmental Protection and the Department of Agriculture, Food and
21 Rural Resources, Board of Pesticides Control in compiling lists of preferred cleaning
22 products and disinfectants and developing recommended cleaning procedures. The
23 department is also directed to make available a list of schools that have committed to a
24 green cleaning program.
