29 **SUMMARY**

> Public Law 2005, chapter 149 enacted law allowing nonprofit or public organizations established to provide programs and services to Maine public sector retirees access to the Maine State Retirement System's names and home addresses of retirees for membership recruitment purposes, but repealed that law September 15, 2007. This bill repeals the sunset provision, allowing the Maine State Retirement System to continue to provide the names and home addresses of retirees to those organizations unless a retiree "opts out" from authorizing the disclosure. The bill also repeals the general waiver provision in current law
