LR 936(02)

An Act Regarding When an Overweight Truck May Be Required To Unload

Fiscal Note for Bill as Amended by Committee Amendment "A "

Committee: Transportation

Fiscal Note Required: Yes

Fiscal Note

Potential current biennium cost increase - Highway Fund

Fiscal Detail and Notes

Allowing certain overweight trucks to operate for a limited period of time is likely to result in increased wear and damage to state roads, thereby increasing maintenance and repair costs incurred by the Department of Transportation. The increased costs to the Highway Fund will depend on the circumstances of each authorized incident and can not be determined at this time.
