3 **SUMMARY**

4 This bill is a concept draft pursuant to Joint Rule 208.

5 This bill proposes to amend the laws governing the duties and responsibilities for
6 managing solid waste. Under current law, responsibility for managing solid waste is
7 shared by the Department of Environmental Protection and the State Planning Office.
8 This bill would revise those duties and responsibilities in order to eliminate redundancy,
9 as well as to eliminate any inadvertent gaps in oversight.
