HOUSE OF REPRESENTATIVES
123RD LEGISLATURE
FIRST REGULAR SESSION

COMMITTEE AMENDMENT "A" to H.P. 699, L.D. 924, Bill, "An Act To Preserve Agricultural Fairs in Rural Maine"

Amend the bill in section 1 in subsection 2 by inserting at the end a new blocked paragraph as follows:

'This subsection is repealed December 31, 2009.'

Amend the bill by inserting after section 1 the following:

'Sec. 2. 8 MRSA §298, sub-§2-A is enacted to read:

2-A. Distribution. On April 30th, July 30th, October 30th and January 30th of each year, all amounts credited to the fund established by this section as of the last day of the preceding month and not distributed before that day must be distributed to each commercial track, as defined in section 275-A, subsection 1, to each agricultural fair licensee that conducts live racing on fair dates assigned by the commissioner pursuant to Title 7, section 84 and to each agricultural fair licensee that conducts an extended meet as long as that licensee conducted an extended meet in 2005, with each commercial track and each agricultural fair licensee receiving an amount of money determined by multiplying the amount of money available for distribution by a fraction, the numerator of which is the total number of live race dashes assigned to the commercial track or agricultural fair licensee for the year and the denominator of which is the total number of race dashes assigned to all commercial tracks and agricultural fair licensees for the year. The payment in January must be adjusted so that for the prior year each commercial track or agricultural fair licensee entitled to a distribution receives that portion of the total money distributed for the full year from the fund established by this section that is determined by multiplying the total amount of money by a fraction, the numerator of which is the number of live race dashes conducted by the commercial track or agricultural fair licensee during the calendar year that qualify for a distribution and the denominator of which is the total number of race dashes conducted during that calendar year that qualify for a distribution. For purposes of this subsection, a race dash qualifies for

1 distribution if the dash was conducted by a commercial track or by an agricultural fair
2 licensee on dates assigned under Title 7, section 84 or during an extended meet. The
3 funds distributed pursuant to this subsection must be used to supplement harness racing
4 purses.

5 This subsection takes effect December 31, 2009.

6 **Sec. 3. Retroactivity.** This Act applies retroactively to January 1, 2007.'

7 **SUMMARY**

8 This amendment enables agricultural fairs that held extended harness racing meets in
9 1998 to share in the revenues generated by the racino until the end of 2009. At that point
10 eligibility to share in revenue reverts to agricultural fairs that held extended harness
11 racing meets in 2005. This amendment also adds a retroactivity clause to the bill.
