STATE OF MAINE

SENATE

123RD LEGISLATURE

FIRST REGULAR SESSION

Minority

COMMITTEE AMENDMENT "*A*" to S.P. 452, L.D. 1304, Bill, "An Act Relative to Motor Vehicles and Floats Operated in Parades"

Amend the bill by striking out the title and substituting the following:

'An Act Regarding Parade Floats'

Amend the bill by striking out everything after the enacting clause and before the summary and inserting the following:

'Sec. 1. 29-A MRSA §1927 is enacted to read:

§1927. Floats in a parade

A person may not operate an outrigger float in a parade with a person riding on the float unless the float is equipped with a continuous railing enclosing the perimeter of the platform, 3 feet or more in height and enclosed in a manner that would reasonably prevent passage of a child. For purposes of this section, the term "outrigger float" means a float constructed in a manner that results in any wheels of the truck or trailer on which the platform is mounted extending beyond the edge of the platform.

A person who violates this section commits a traffic infraction.'

SUMMARY

This amendment, which is the minority report of the Joint Standing Committee on Transportation, replaces the bill and changes the title to reflect the content of the amendment. This amendment provides that a person may not operate an outrigger float in a parade with a person riding on the float unless the float is equipped with a continuous railing enclosing the perimeter of the platform, 3 feet or more in height and enclosed in a manner that would reasonably prevent passage of a child. The amendment defines "outrigger float" as a float constructed in a manner that results in any wheels of the truck
