MARINE RESOURCES

Reproduced and distributed under the direction of the Clerk of the House.

STATE OF MAINE
HOUSE OF REPRESENTATIVES
123RD LEGISLATURE
FIRST REGULAR SESSION

COMMITTEE AMENDMENT "A" to H.P. 926, L.D. 1318, "Resolve, To Require the Department of Marine Resources and the Office of Program Evaluation and Government Accountability To Conduct an Independent Review and Audit of the Public Health Division"

Amend the resolve by striking out the title and substituting the following:

'Resolve, To Conduct an Independent Review of the Department of Marine Resources, Public Health Division'

Amend the resolve in the emergency preamble by striking out all of the 2nd indented paragraph (page 1, lines 3 and 4 in L.D.) and inserting the following:

'Whereas, it is essential to conduct an independent review of the programs and procedures in the public health division within the Department of Marine Resources; and'

Amend the resolve by striking out all of section 1 and inserting the following:

'Sec. 1. Review of public health division within the Department of Marine Resources. Resolved: That Maine Sea Grant shall work with the Interstate Shellfish Sanitation Conference to develop and issue a request for proposals to conduct a review of program procedures in the public health division within the Department of Marine Resources. Maine Sea Grant in conjunction with the Interstate Shellfish Sanitation Conference shall develop the scope of work in consultation with interested parties; and be it further

Sec. 2. Scoring committee. Resolved: That a 3-member scoring committee is established to review the responses to the request for proposals issued by Maine Sea Grant under section 1 and to select a vendor to conduct the review of the public health division within the Department of Marine Resources as provided for in the scope of work under section 1. The scoring committee must consist of a member from Maine Sea

COMMITTEE AMENDMENT

1 Grant, a member from the Department of Marine Resources and a member from the
2 shellfish harvesting industry; and be it further

3 **Sec. 3. Special Fund for Peer Review of the Department of Marine**
4 **Resources, Public Health Division. Resolved:** That there is established the Special
5 Fund for Peer Review of the Department of Marine Resources, Public Health Division,
6 referred to in this section as "the fund." The Department of Marine Resources is
7 authorized to accept all public and private funds for deposit into the fund. All interest
8 from investment of the fund is to be credited to the fund. Expenditures from the fund by
9 the department are limited to grants distributed to Maine Sea Grant to conduct a review of
10 program procedures of the public health division within the Department of Marine
11 Resources. The fund is nonlapsing, and any money remaining in the fund after January 1,
12 2008 must remain in the fund subject to future allocation by the Legislature. The State
13 Controller, on a one-time basis, may transfer funds from the Maine Coastal Program
14 account in the Executive Department, State Planning Office in the amount of \$5,000 into
15 the fund. The department shall notify the joint standing committee of the Legislature
16 having jurisdiction over marine resources matters by January 15, 2009 on the balance of
17 the fund; and be it further

18 **Sec. 4. Review report. Resolved:** That Maine Sea Grant, in conjunction with
19 the vendor selected under section 2 to do the review and after review and comment by the
20 Interstate Shellfish Sanitation Conference, shall provide a report on the review conducted
21 under section 1, including but not limited to findings, recommendations and any
22 legislation needed to implement recommendations in the report, to the Joint Standing
23 Committee on Marine Resources by January 15, 2008. The Joint Standing Committee on
24 Marine Resources may submit a bill during the Second Regular Session of the 123rd
25 Legislature relating to the report; and be it further

26 **Sec. 5. Shellfish advisory council. Resolved:** That the Department of Marine
27 Resources shall work with the other members of the scoring committee under section 2
28 and solicit input from members of the shellfish harvesting industry to determine the need
29 and feasibility of a shellfish advisory council to improve communication between the
30 department and the shellfish harvesting industry and to provide advice to the department
31 and the joint standing committee of the Legislature having jurisdiction over matters
32 related to the management of the shellfish resource; and be it further

33 **Sec. 6. Shellfish advisory council development report. Resolved:** That the
34 Department of Marine Resources shall report its findings and recommendations regarding
35 the development of a shellfish advisory council as provided under section 5 with any
36 legislation necessary to implement the recommendations of the report to the Joint
37 Standing Committee on Marine Resources no later than January 15, 2008. The Joint
38 Standing Committee on Marine Resources may submit legislation during the Second
39 Regular Session of the 123rd Legislature related to the report; and be it further

40 **Sec. 7. Appropriations and allocations. Resolved:** That the following
41 appropriations and allocations are made.

42 **EXECUTIVE DEPARTMENT**

43 **Planning Office 0082**

R. S. S.

SUMMARY

This amendment replaces the section of the resolve that directs the Department of Marine Resources and the Office of Program Evaluation and Government Accountability to conduct a review and audit of the public health division within the Department of Marine Resources and:

1. Directs Maine Sea Grant to work with the Interstate Shellfish Sanitation Conference to develop a scope of work and issue a request for proposals to conduct a review of the program procedures in the public health division within the Department of Marine Resources;

2. Establishes a 3-member scoring committee to select a vendor from applications received in response to the request for proposals by Maine Sea Grant;

3. Establishes a special fund within the Department of Marine Resources to be used only for the purpose of conducting a review of program procedures and authorizes the department to accept outside funding for this special fund;

4. Directs Maine Sea Grant, in conjunction with the vendor selected to conduct the review and after review and comment by the Interstate Shellfish Sanitation Conference, to provide a report on the review of the public health division within the Department of Marine Resources to the Joint Standing Committee on Marine Resources by January 15, 2008;

5. Directs the Department of Marine Resources to work with members of the shellfish harvesting industry to determine the need and feasibility of a shellfish advisory council and to report its findings and recommendations to the Joint Standing Committee on Marine Resources by January 15, 2008; and

6. Adds an appropriations and allocations section.
