Presented by Representative BABBIDGE of Kennebunk.
Cosponsored by Senator SULLIVAN of York and
Representatives: BEAUDETTE of Biddeford, BLISS of South Portland, BRAUTIGAM of
Falmouth, CANAVAN of Waterville, CONNOR of Kennebunk, EBERLE of South Portland,
HINCK of Portland, WAGNER of Lewiston.

1 **Be it enacted by the People of the State of Maine as follows:**

2 **Sec. 1. 38 MRSA §2143** is enacted to read:

3 **§2143. Cellular telephone recycling**

4 **1. Definitions.** As used in this section, unless the context otherwise indicates, the
5 following terms have the following meanings.

6 A. "Cellular telephone" means a mobile wireless telephone device that is designed to
7 send or receive transmissions through a cellular radiotelephone service as defined in
8 47 Code of Federal Regulations, Section 22.99 (2005). "Cellular telephone" does not
9 include a wireless telephone device that is integrated into the electrical architecture of
10 a motor vehicle.

11 B. "Retailer" means a person, firm or corporation that sells a cellular telephone to a
12 consumer, including a manufacturer of a cellular telephone that sells directly to the
13 consumer.

14 C. "Sell" or "sale" means, but is not limited to, transactions, including both lease and
15 transfer of ownership, conducted through sales outlets, catalogues, mail order,
16 telephone or the Internet or any other similar electronic means, but does not include a
17 wholesale transaction with a distributor or retailer.

18 **2. System established.** Effective October 1, 2007, a person or retail establishment
19 selling or offering for retail sale cellular telephones shall have a system for the acceptance
20 and collection of used cellular telephones for reuse, recycling or proper disposal that
21 includes at a minimum all of the following:

22 A. The return from a consumer of a used cellular telephone that the retailer
23 previously sold to the consumer, at no cost to that consumer. The retailer may
24 require proof of purchase;

25 B. The acceptance of a used cellular telephone from a consumer who is purchasing a
26 new cellular telephone from that retailer, at no cost to that consumer;

27 C. The return from a consumer of a used cellular telephone that the retailer delivered
28 directly to the consumer, at no cost to that consumer;

29 D. Mechanisms to ensure safe disposal of any hazardous parts of cellular telephones
30 not resold or reused; and

31 E. When a commercial environment exists where physical space is provided for
32 transactions between retailers and consumers, the posting of an 8 1/2 inch by 11 inch
33 written notice provided by the department pursuant to subsection 3 that includes the
34 display of the universal recycling symbol and the notice: "State law requires us to
35 accept, if offered by the consumer, used cellular telephones for recycling in exchange
36 for new cellular telephones purchased."

37 A retailer shall provide to the consumer written notification of the recycling and disposal
38 provisions provided by or through the retailer.

1 A retailer must inform the department of any change in the retailer's system within 30
2 days after the change is made.

3 **3. Inspection and enforcement.** The department shall produce, print and distribute
4 the notices required under subsection 1, paragraph E. The department shall enforce the
5 provisions of this section and may inspect premises where cellular telephones are sold.

6 After October 1, 2007 it is unlawful to sell a cellular telephone to a consumer in this State
7 unless the retailer of that cellular telephone complies with this section.

8 **Sec. 2. Report.** By January 2, 2008, a retailer of cellular telephones shall report to
9 the Department of Environmental Protection on the reuse, recycling and disposal system
10 the retailer has implemented pursuant to the Maine Revised Statutes, Title 38, section
11 2143. The report must include the mechanism for the safe disposal of parts and
12 hazardous elements and the name and address of partner organizations.

SUMMARY

14 This bill requires a retail establishment that sells cellular telephones to accept used
15 cellular telephones for reuse, recycling or proper disposal. The bill also requires retail
16 establishments to report by January 1, 2008 to the Department of Environmental
17 Protection with the reuse, recycling and disposal system they have implemented.
