3 **SUMMARY**

4 This bill is a concept draft pursuant to Joint Rule 208.

5 This bill proposes to establish a pricing formula for liquor sales and to adjust agent  
6 discounts. The pricing formula should promote transparency, enhance market  
7 predictability, promote fairness and increase Maine's competitiveness with neighboring  
8 states. Agent discounts should increase incrementally, be funded through increased  
9 revenues and other sources and be revenue-neutral to the State.
