**STATE OF MAINE  
HOUSE OF REPRESENTATIVES  
123RD LEGISLATURE  
SECOND REGULAR SESSION**

9 COMMITTEE AMENDMENT "A" to H.P. 1473, L.D. 2087, "Resolve, To Study  
10 the Feasibility of a Public Dock on Mooselookmeguntic Lake"

11 Amend the resolve by striking out all of section 1 and inserting the following:

12 **'Sec. 1. Public dock feasibility study. Resolved:** That the Department of  
13 Conservation, in partnership with other associations and individuals, shall study the  
14 feasibility of establishing a dock for public use or summer rentals or leases of slip space  
15 for public use on Mooselookmeguntic Lake to restore public access to the lake since the  
16 current dock that has been in use has been privately purchased. In undertaking this study,  
17 the department shall examine possible locations accessible over publicly owned lands.'

**SUMMARY**

18  
19 This amendment directs the Department of Conservation, rather than the Department  
20 of Inland Fisheries and Wildlife as in the bill, in partnership with other associations and  
21 individuals, to study the feasibility of establishing a dock for public use or summer  
22 rentals on Mooselookmeguntic Lake to restore public access to the lake since the current  
23 dock has been privately purchased. Also in this amendment, the Department of  
24 Conservation would study the feasibility of leases of slip space and, in undertaking the  
25 study, examine possible locations accessible over publicly owned lands.
