17 subsection.

18 A. The prepaid wireless E-9-1-1 surcharge is 15¢ per retail transaction or, on or after  
19 the date of an adjusted amount per retail transaction that is established under  
20 paragraph F, that adjusted amount.

21 B. The prepaid wireless E-9-1-1 surcharge must be collected by the seller from the

30 the purposes of Title 36, section 1752, subsection 8-B.

31 D. The prepaid wireless E-9-1-1 surcharge is the liability of the consumer and not of  
32 the seller or of any prepaid wireless telecommunications service provider, except that  
33 the seller is liable to remit all prepaid wireless E-9-1-1 surcharges that the seller  
34 collects from consumers as provided in this subsection, including all such charges  
35 that the seller is deemed to collect when the amount of the surcharge has not been  
36 separately stated on an invoice, receipt or other similar document provided by the  
37 consumer to the seller.

38 E. The amount of the prepaid wireless E-9-1-1 surcharge that is collected by a seller  
39 from a consumer, whether or not such amount is separately stated on an invoice,  
40 receipt or other similar document provided to the consumer by the seller, may not be  
41 included in the base for measuring any tax, fee, surcharge or other charge that is

1 imposed by this State, any political subdivision of this State or any intergovernmental  
2 agency.

3 F. The prepaid wireless E-9-1-1 surcharge must be proportionately increased or  
4 reduced, as applicable, upon any change in the surcharge imposed by subsection 1-B.  
5 The increase or reduction is effective on the effective date of the change to the

7 to occur at least 60 days after enactment of the change to the surcharge imposed by  
8 subsection 1-B. The bureau shall provide not less than 30 days advance notice of the  
9 increase or reduction on the bureau's publicly accessible website.

10 G. Prepaid wireless E-9-1-1 surcharges collected by sellers must be remitted to the  
11 Treasurer of State at the times and in the manner provided by Title 36, section  
12 1951-A. The State Tax Assessor shall establish registration and payment procedures  
13 that substantially coincide with registration and payment procedures as provided in  
14 Title 36, section 1754-B and related provisions.

15 H. A seller may deduct and retain 3% of prepaid wireless E-9-1-1 surcharges that are  
16 collected by the seller from consumers.

17 I. The Public Utilities Commission shall establish procedures by which a seller of  
18 prepaid wireless telecommunications service may document that a sale is not a retail  
19 transaction, which procedures must substantially coincide with the procedures for  
20 documenting a sale for retail transaction as provided in Title 36, section 1754-B.

21 J. The State Tax Assessor shall ensure that all remitted prepaid wireless E-9-1-1  
22 surcharges are deposited in the E-9-1-1 fund under subsection 2-B within 30 days of  
23 receipt after deducting an amount not to exceed 2% of remitted charges to reimburse  
24 the direct costs of the assessor for administering the collection and remittance of the  
25 prepaid wireless E-9-1-1 surcharges.

26 K. A prepaid wireless telecommunications service provider or seller is not liable for  
27 damages to any person resulting from or incurred in connection with the provision of,  
28 or failure to provide, 9-1-1 or E-9-1-1 service, or for identifying, or failing to  
29 identify, the telephone number, address, location or name associated with any person  
30 or device that is accessing or attempting to access 9-1-1 or E-9-1-1 service.

31 L. A prepaid wireless telecommunications service provider or seller is not liable for  
32 damages to any person resulting from or incurred in connection with the provision of  
33 any lawful assistance to any investigative or law enforcement officer of the United  
34 States, this or any other state, or any political subdivision of this or any other state, in  
35 connection with any lawful investigation or other law enforcement activity by such  
36 investigative or law enforcement officer.

37 M. The prepaid wireless E-9-1-1 surcharge imposed by this subsection is the only  
38 E-9-1-1 funding obligation imposed with respect to prepaid wireless  
39 telecommunications service in this State, and another tax, fee, surcharge or other  
40 charge may not be imposed by this State, any political subdivision of this State or any  
41 intergovernmental agency for funding E-9-1-1 purposes on any prepaid wireless  
42 telecommunications service provider, seller or consumer with respect to the sale,  
43 purchase, use or provision of prepaid wireless telecommunications service.
