4 **CHAPTER 62**  
5 **GAMES OF CHANCE**

10 agricultural fair society eligible for a stipend under Title 7, chapter 4.

12 the State Police or the chief's designee.

13 **3. Distributor.** "Distributor" means a person, firm, corporation, association or  
14 organization that sells, markets or otherwise distributes sealed tickets, gambling apparatus

18 however operated, that has a video screen featuring an electronically simulated game and

21 playing or operating the electronic video machine to receive cash, premiums,  
22 merchandise, tickets or something of value other than the privilege of playing the  
23 electronic video machine without charge. A machine that has a video screen featuring an

31 by chance, outside the control of the contestant or participant; and

32 **C.** Chance enters as an element that influences the outcome in a manner that cannot  
33 be eliminated through the application of skill.

34 For the purposes of this subsection, "an event the result of which is determined by

3 which is determined by chance that is employed to determine impartially the initial order  
4 of play in a game, contest, scheme or device does not alone make a game, contest,  
5 scheme or device a game of chance. For purposes of this chapter, beano and bingo are  
6 not games of chance.

7 **6. Game of skill.** "Game of skill" means any game, contest, scheme or device in  
8 which a person stakes or risks something of value for the opportunity to win something of  
9 value and that is not a game of chance.

11 chance less the prizes awarded.

12 **8. Licensee.** "Licensee" means a firm, corporation, association or organization  
13 licensed by the Chief of the State Police to operate a game of chance.

14 **9. Machine.** "Machine" means any machine, including electronic devices, however

17 or operating the machine to receive cash, premiums, merchandise, tickets or something of  
18 value as defined in subsection 17.

19 **10. Member.** "Member" means a bona fide member of a firm, corporation,  
20 association, organization, department or class or a combination thereof who has been duly  
21 admitted as a member according to the laws, rules, regulations, ordinances or bylaws  
22 governing membership in the firm, corporation, association, organization, department,  
23 class or combination thereof.

27 that reproduces in printed form, for sale or distribution, materials to be used in the  
28 conduct of a game of chance.

29 **13. Raffle.** "Raffle" means a game of chance in which:

30 A. A person pays or agrees to pay something of value for a chance; represented and  
31 differentiated by a number, to win a prize;

32 B. One or more of the chances is to be designated the winning chance; and

33 C. The winning chance is to be determined as a result of a drawing from a container  
34 holding numbers representative of all chances sold.

35 **14. Roulette.** "Roulette" means a game of chance in which players bet on the  
36 compartment of a revolving wheel into which a small ball will come to rest.

37 **15. Slot machine.** "Slot machine" means any mechanical, electrical or electronic  
38 device, contrivance or machine or other device, contrivance or machine that is available

1 to play upon insertion of money or a token, credit or similar object or something of value,  
2 the play of which by the element of chance may deliver or entitle the person playing the  
3 device, contrivance or machine to receive cash, tokens or credits to be exchanged for  
4 cash, merchandise or anything of value, whether the payoff is made automatically from  
5 the device, contrivance or machine or in any other manner, and includes progressive  
6 electronic gaming devices with a payoff that increases as the electronic gaming device is  
7 played.

8 **16. Social gambling.** "Social gambling" means a contest of chance in which the  
9 only participants are players and from which no person or organization receives or  
10 becomes entitled to receive something of value or any profit whatsoever, directly or  
11 indirectly, other than as a player, from any source, fee, remuneration connected with  
12 gambling or such activity as arrangements or facilitation of the game, permitting the use  
13 of premises or selling or supplying for-profit refreshments, food, drink service or  
14 entertainment to participants, players or spectators.

15 **17. Something of value.** "Something of value" means:

20 money or property, or of any interest therein, or involving extension of a service,  
21 entertainment or a privilege of playing at a game or scheme without charge.

22 **18. Tokens.** "Tokens" means distinctive objects, chips, tickets or other devices of no  
23 intrinsic value used as a substitute for cash in accounting for revenue from a game of  
24 chance.

25 **§1832. Licenses**

26 **1. License required.** A person, firm, corporation, association or organization may  
27 not hold, conduct or operate a game of chance without a license issued by the Chief of the  
28 State Police in accordance with this section. A license is not required when a game of  
29 chance constitutes social gambling.

30 **2. Eligible organizations.** Notwithstanding other provisions of law, the Chief of the  
31 State Police may issue a license to operate a game of chance to an organization that  
32 submits a completed application as described in subsection 4 and has been founded,  
33 chartered or organized in this State for a period of not less than 2 consecutive years prior  
34 to applying for a license and is:

35 A. An agricultural society;

36 B. A bona fide nonprofit charitable, educational, political, civic, recreational,  
37 fraternal, patriotic or religious organization;

38 C. A volunteer fire department; or

39 D. An auxiliary of any of the organizations in paragraphs A to C.

1        **3. Municipal approval required.** An eligible organization described in subsection  
2 2 intending to apply for a license to conduct a game of chance is required to receive  
3 written approval from the local governing authority where the game of chance is to be  
4 operated or conducted. This written approval must be submitted with the application to  
5 the Chief of the State Police as described in subsection 4.

6        **4. Application.** An eligible organization described in subsection 2 wishing to  
7 operate or conduct a game of chance shall submit an application to the Chief of the State  
8 Police. The application must be in a form provided by the Chief of the State Police and  
9 must be signed by a duly authorized officer of the eligible organization. The application  
10 must include the full name and address of the organization, a full description of the game  
11 of chance, the location where the game is to be conducted and any other information  
12 determined necessary by the Chief of the State Police for the issuance of a license to  
13 operate a game of chance, including but not limited to membership lists, bylaws and  
14 documentation showing the organization's nonprofit status or charitable designation.

15        **5. Multiple licenses.** The Chief of the State Police may issue more than one license  
16 to conduct or operate a game of chance simultaneously to an eligible organization  
17 described in subsection 2. Each game of chance must have a separate license, the nature  
18 of which must be specified on the license.

19        **6. Agricultural fairs.** Notwithstanding any provision in this chapter to the contrary,  
20 in addition to games of chance, the Chief of the State Police may issue a license to  
21 conduct or operate games of chance known as "penny falls" or "quarter falls" at any  
22 agricultural fair, as long as the revenue from those games is retained by the licensed  
23 agricultural society.

24        **7. Electronic video machines.** The Chief of the State Police may issue a game of  
25 chance license to operate an electronic video machine to any eligible organization  
26 described in subsection 2.

27        **A.** An electronic video machine licensed under this section may only be operated for  
28 the exclusive benefit of the licensee, except that up to 50% of the gross proceeds  
29 from the operation of the machine may be paid to the distributor as a rental fee and  
30 for service and repair of the machine. Notwithstanding other provisions of this  
31 chapter, a licensee may rent an electronic video machine from a distributor.

32        **B.** No more than 5 electronic video machines may be operated on the licensee's  
33 premises. A separate games of chance license is required for the operation of each  
34 electronic video machine.

35        **C.** A licensee may operate an electronic video machine only on the licensee's  
36 premises.

37        **D.** Two or more licensees may not share the use of any premises for the operation of  
38 electronic video machines.

2 in a manner that meets the definition of illegal gambling machine as described in  
3 Title 17-A, section 952, subsection 5-A.

4 **§1833. Fees**

5 **1. Original application fee.** The original application for a license to operate a game  
6 of chance must be accompanied by a fee of \$7.50. This is not a fee for a license and is not  
7 refundable.

8 **2. Operation of games of chance.** Except for electronic video games and games of  
9 cards as provided in this section, the fee for a license to operate a game of chance is \$15  
10 for each week computed on a Monday to Sunday basis or for a portion of a week. The fee  
11 for a license issued for a calendar month is \$60 and the fee for licenses issued for a  
12 calendar year is \$700.

13 The Chief of the State Police may issue any combination of weekly or monthly licenses  
14 for the operation of games of chance. Except for games of cards as provided in  
15 subsection 4, licenses to conduct any authorized game of chance may be issued for a  
16 period not to exceed 6 months on one application.

17 **3. Operation of electronic video machines.** The fee for a game of chance license to  
18 operate an electronic video machine in accordance with section 1832, subsection 7 is \$15  
19 for each week computed on a Monday to Sunday basis or for a portion of a week. The  
20 fee for a license issued for a calendar month is \$60.

21 The Chief of the State Police may issue any combination of weekly or monthly licenses  
22 for the operation of electronic video machines. A license or combination of licenses to  
23 operate an authorized electronic video machine may not exceed a period of 6 months.

24 **4. Games of cards.** The fee for a license issued to an organization to operate a game  
25 of cards, when the organization charges no more than a \$5 daily entry fee for  
26 participation in the games of cards and when no money or valuable thing other than the  
27 \$5 daily entry fee is gambled by any person in connection with the game of cards, is \$30  
28 for each calendar year or portion of a calendar year. For card games that are played by  
29 placing the maximum bet of \$1 per hand or deal, the license fee is the same as provided  
30 in subsection 2.

31 **5. Distributors.** The fee for a license issued to a distributor is \$625 for each calendar  
32 year or portion of a calendar year.

33 **6. Printers.** The fee for a license issued to a printer is \$15 for each calendar year or  
34 portion of a calendar year.

35 **7. Application.** Licenses to operate any authorized game of chance may be issued  
36 for a period not to exceed 6 months on one application.

37 All fees required by this section must accompany the application for any license  
38 issued by authority of this chapter.

1        Fees submitted as license fees must be refunded if the license is not issued. Rebates  
2 may not be given for any unused license or portion of an unused license. If any license is  
3 suspended or revoked as provided by this chapter, fees paid for that license may not be  
4 refunded.

5        **§1834. Conduct games of chance**

6        **1. Wagers or entry fees; exceptions.** The following limits apply to games of  
7 chance.

8        A. The maximum bet for a licensed game of chance including card games in which  
9 bets are placed per hand or per deal is \$1.

10       B. Licensed card games that award part or all of the entry fees paid to participate in  
11 the game as prize money and in which no money or thing of value is wagered except  
12 for the entry fee are limited to a \$5 entry fee and no more than 40 players at any one  
13 time at any one location.

14       C. If the licensee operates games of chance for less than 3 total days in a calendar  
15 year and contributes 100% of the gross revenue from those games of chance to  
16 charity, the amount wagered must be limited to:

17        (1) A \$1 daily entry fee;

18        (2) Fifty cents per game; or

19        (3) Twenty-five cents per card received.

20       Prior to play of the game, the licensee shall determine which of the limits in  
21 subparagraphs (1), (2) and (3) is to be used and shall post the limit.

22       **2. Games conducted by members and bartenders of licensee only.** A game of  
23 chance licensed pursuant to this section must be operated and conducted for the exclusive  
24 benefit of the licensee and must be operated and conducted only by duly authorized  
25 members of the licensee or by persons employed by the licensee as bartenders, except  
26 that nonmembers employed by the licensee as bartenders may not operate or conduct any  
27 game of chance permitted under subsection 5, paragraph B. The requirements of this  
28 subsection do not apply to any agricultural society licensed to operate a game of chance.

29       **3. Games conducted at agricultural fair by members of the agricultural society**  
30 **or a bona fide nonprofit.** Games of chance operated and conducted solely by members  
31 of an agricultural society or games of chance operated and conducted by members of  
32 bona fide nonprofit organizations on the grounds of the agricultural society and during  
33 the annual fair of the agricultural society may use cash, tickets, tokens or other devices  
34 approved by the Chief of the State Police by rule.

35       Notwithstanding any other provision of this section, the tickets, tokens or other devices  
36 approved by the Chief of the State Police must be unique to the agricultural society and  
37 may be in denominations of 25¢, 50¢ or \$1. The tickets, tokens or devices approved by  
38 the Chief of the State Police may be sold and redeemed only by a person who has been a  
39 member or active volunteer of the agricultural society for at least 2 fair seasons. The

1 agricultural society has the burden of proof for demonstrating the qualification of  
2 members or active volunteers.

3 An agricultural society that uses tokens shall provide records and reports as required by  
4 section 1838.

5 **4. Persons under 16 years of age; exception.** Except as provided in this  
6 subsection, a licensee, game owner or operator may not permit persons under 16 years of  
7 age to take part in a game of chance, and a person under 16 years of age may not sell  
8 chances, except in relation to charitable, religious or recognized youth associations.  
9 Notwithstanding any rule to the contrary, upon receiving an application on a form  
10 provided by the Chief of the State Police and a determination by the chief that a game of  
11 chance licensed to be conducted at a festival-style event is designed to attract players  
12 under 16 years of age and awards a nonmonetary prize valued at less than \$10 for every  
13 chance played, the chief may permit:

14 A. Persons under 16 years of age to conduct or operate the game of chance; and

15 B. Persons under 16 years of age to play the game of chance without being  
16 accompanied by an adult.

17 Nothing in this subsection may be construed to permit games of chance to be operated  
18 without a license.

19 **5. Location.** A license issued pursuant to this section must specify the location  
20 where the organization may operate the licensed game of chance. A licensee may not  
21 operate games of chance in more than one location at the same time.

22 A. An agricultural society or a bona fide nonprofit organization may operate a game  
23 of chance on the grounds of an agricultural society and during the annual fair of the  
24 agricultural society.

25 B. No more than one licensee may operate a game of chance at a time at a location  
26 where the general public has access. In any room where a licensed game of chance is  
27 being conducted, there must be at least one member of the licensee present in that  
28 room for every 2 nonmembers who are present. That member must have been a  
29 member of the licensee for at least one year. A member of the licensee, either  
30 directly or through another member or guest, may not stake or risk something of  
31 value in the licensee's game of chance unless the member has been a member of the  
32 licensee for at least 14 days not including the day of admission into membership.

33 A bona fide nonprofit organization may operate a licensed game of chance to which the  
34 general public has access once every 3 months for a period not to exceed 3 consecutive  
35 days. The licensed game of chance may be operated at any location described in the  
36 license and may be conducted only by members of the licensee.

37 **6. Door prizes.** Distribution of tickets to an event upon which appear details  
38 concerning any prize to be given away as a result of a drawing is to be considered a game  
39 of chance within the meaning of this chapter; a distribution of tickets containing only the  
40 words "Door Prize," without further description, is excluded from the provisions of this  
41 chapter, as long as no promotional materials or presentations, written or oral, describe the  
42 door prize.

1           7. "Donation" not to provide an exclusion. The word "donation" printed on a  
2 ticket does not exclude the sponsoring organization from complying with this chapter.

3           §1835. Tournament games

4           The Chief of the State Police may issue a license to conduct tournament games as  
5 provided in this section to an organization eligible to conduct beano games under chapter  
6 13-A and games of chance under this chapter. For purposes of this section, "tournament  
7 game" means a game of chance played using a deck of cards with rules similar to poker  
8 or other card games. The Chief of the State Police may not issue a tournament game  
9 license to an organization more than once per month.

10           1. Local governing authority approval. An organization that intends to apply for a  
11 tournament game license must first receive approval from the local governing authority  
12 where the games are to be conducted. Proof of approval from the local governing  
13 authority must be provided to the Chief of the State Police upon application for a  
14 tournament game license.

15           2. License application. An organization must submit a license application to the  
16 Chief of the State Police on a form provided by the Chief of the State Police. The license  
17 application must specify one or more charitable organizations that the proceeds of the  
18 tournament are intended to benefit. For the purposes of this section, "charitable  
19 organization" means any person or entity, including any person or entity in a foreign  
20 state, that is or purports to be organized or operated for any charitable purpose or that  
21 solicits, accepts or obtains contributions from the public for any charitable, educational,  
22 humane or patriotic purpose.

23           3. License. The license fee for a tournament game license is \$5 per tournament  
24 player.

25           4. Tournament. The organization licensed to conduct a tournament game under this  
26 section shall display the rules of the game and the license issued to conduct the  
27 tournament. The maximum number of players allowed is 100. Winners are determined  
28 by a process of elimination. The use of currency is prohibited as part of tournament play.  
29 The maximum entry fee to play in the tournament is \$100, except the organization may  
30 add \$5 to the entry fee to defray the cost of the license application. Only one entry fee is  
31 permitted per person. A tournament must be completed within 48 hours. Other games of  
32 chance are prohibited, except for lucky seven or similar sealed tickets.

33           5. Proceeds. Seventy-five percent of the entry fees under subsection 4 must be paid  
34 as prizes to the winners of the tournament. Of the money remaining after the payment of  
35 prizes, 75% must be distributed to the charitable organization or organizations listed on  
36 the license application pursuant to this section.

37           6. Cost of administration; surplus. The Chief of the State Police may retain, from  
38 license fees collected in accordance with subsection 3, only an amount necessary to  
39 defray the costs of administering this section. All fees collected in excess of the amount  
40 necessary to defray the costs of administration must be allocated as follows:

41           A. Forty percent to the Fractionation Development Center; and

1           B. Sixty percent to the General Fund.

2           **§1836. Raffles**

3           **1. Raffles with prizes of \$10,000 or less.** Notwithstanding section 1832, subsection  
4 1, a license to conduct or operate a raffle in which the holder of the winning chance does  
5 not receive something of value worth more than \$10,000 is not required of the following:

6           A. Any agricultural society or any bona fide nonprofit organization that is either  
7 charitable, educational, political, civic, recreational, fraternal, patriotic or religious or  
8 any auxiliary of such an organization;

9           B. Any volunteer police force, fire department or ambulance corps;

10          C. Any class or organization of an elementary, secondary or postsecondary  
11 educational institution operated or accredited by the State; or

12          D. Any state agency that conducts or operates a raffle for a donated item to benefit  
13 fish and wildlife conservation projects.

14          Any exempt organization, department or class or combination listed in paragraph A, B, C  
15 or D may sponsor, operate and conduct a raffle without a license only for the exclusive  
16 benefit of that organization, department or class or combination, and that raffle may be  
17 conducted only by duly authorized members of the sponsoring organization, department  
18 or class or combination.

19          A state agency may not conduct or operate more than 2 raffles per year pursuant to  
20 paragraph D.

21          **2. Special raffles; prizes more than \$10,000 but not more than \$25,000.** The  
22 following provisions apply to special raffles licensed under this subsection.

23          A. Except as provided in subsection 3, the Chief of the State Police may issue one  
24 special raffle license per year to any organization, department or class eligible to hold  
25 a raffle under subsection 1. The special raffle license entitles the licensee to hold one  
26 raffle in which the holder of a winning chance receives something of value worth  
27 more than \$10,000 but not more than \$25,000. Section 1834, subsection 1 does not  
28 apply to raffles licensed under this section.

29          B. The Chief of the State Police may not issue a license under this subsection to hold  
30 a raffle in which the holder of a winning chance receives a cash prize worth more  
31 than \$10,000.

32          C. All tickets sold pursuant to a special raffle license must be purchased from a  
33 licensed distributor or licensed printer. Tickets must be sequentially numbered and  
34 have printed on their faces the following information: the name of the special raffle  
35 licensee; a description of the prize or prizes; the price of the ticket; and the date, time  
36 and place of the drawing. Any organization, department or class listed in subsection  
37 1 that conducts a raffle under this section shall retain all unsold raffle tickets for 6  
38 months after the raffle drawing and make those tickets available for inspection at the  
39 request of the Chief of the State Police.

1        **3. Special raffles; prizes more than \$10,000 but not more than \$75,000.** The  
2 following provisions apply to special raffles licensed under this subsection.

3        A. The Chief of the State Police may issue one special raffle license per year to any  
4 organization, department or class eligible to hold a raffle under subsection 1. The  
5 special raffle license entitles the licensee to hold one raffle in which the holder of a  
6 winning chance receives something of value worth more than \$10,000 but not more  
7 than \$75,000. A raffle licensed under this paragraph may be structured as a  
8 progressive raffle that is divided into a maximum of 12 multiple drawings with  
9 previous entries rolled into subsequent drawing pots and with the final drawing to be  
10 held within 12 months of the first. Drawings must be used to randomly select a  
11 smaller group to be eligible for the final prize to be awarded after the final drawing.  
12 Section 1834, subsection 1 does not apply to raffles licensed under this section.

13        B. The Chief of the State Police may not issue a license under this subsection to hold  
14 a raffle in which the holder of a winning chance receives a cash prize worth more  
15 than \$10,000.

16        C. All tickets sold pursuant to a special raffle license must be purchased from a  
17 licensed distributor or licensed printer. Tickets must be sequentially numbered and  
18 have printed on their faces the following information: the name of the special raffle  
19 licensee; a description of the prize or prizes; the price of the ticket; and the date, time  
20 and place of the drawing. Any organization, department or class listed in subsection  
21 1 that conducts a raffle under this section shall retain all unsold raffle tickets for 6  
22 months after the raffle drawing and make those tickets available for inspection at the  
23 request of the Chief of the State Police.

24        **4. Special raffle licenses.** The holder of a special raffle license issued under  
25 subsection 2 may conduct or operate one raffle per year in which the holder of a winning  
26 chance receives something of value worth more than \$10,000 but not more than \$25,000.  
27 The holder of a special raffle license issued under subsection 3 may conduct or operate  
28 one raffle per year in which the holder of a winning chance receives something of value  
29 worth more than \$10,000 but not more than \$75,000. The holder of a special raffle  
30 license issued under subsection 2 or 3 may not conduct or operate a raffle in which the  
31 holder of a winning chance receives a cash prize worth more than \$10,000.

32        **5. Charitable organizations; livestock raffling.** A license is required before a  
33 charitable organization may raffle livestock for fund-raising purposes under Title 7,  
34 section 3972, subsection 4. The Commissioner of Agriculture, Food and Rural Resources  
35 or the commissioner's designee shall make forms available for charitable organizations to  
36 apply for licenses for one-year or 3-year periods. If the commissioner or the  
37 commissioner's designee is satisfied that the charitable organization has not violated or  
38 will not violate the restrictions of Title 7, section 3972, a license must be issued.

39        **§1837. Revenue and expenses**

40        **1. Compensation.** Those who conduct games of chance may not be paid for such  
41 services except according to this subsection.

1 A. An organization including a fair licensed to operate beano, bingo or lucky seven  
2 games may use up to 20% of the gross revenue to compensate those who conduct the  
3 games.

4 B. Each person who conducts a game of chance licensed to an agricultural society  
5 may be paid at a rate that does not exceed 3 times the State's minimum wage as  
6 established in Title 26, section 664, subsection 1, unless the game is one for which  
7 the limit in paragraph A applies.

8 **2. Exception.** Notwithstanding subsection 1, a licensee may use the proceeds of a  
9 game of chance to:

10 A. Defray the expenses or part of the expenses that further the purpose for which the  
11 organization is formed, except that the proceeds may not be:

12 (1) Used to purchase alcohol or to defray the cost of activities where alcohol is  
13 served; or

14 (2) Paid directly to organization members except as specifically allowed in this  
15 section; and

16 B. Defray the expenses or part of the expenses of a member, auxiliary member,  
17 officer or employee of the organization for a serious illness, injury or casualty loss if  
18 the licensee makes an application pursuant to this section and the application is  
19 approved by the licensing division within the Bureau of State Police. An application  
20 must be made in the form and contain the information the licensing division requires.

21 (1) In the case of serious illness or injury, the licensing division may require  
22 certification by a licensed physician in support of the application.

23 (2) In the case of a casualty loss, the licensing division may require statements or  
24 reports from a law enforcement agency, rescue or other emergency services  
25 personnel or an insurance agency to support the application.

26 (3) The licensing division may deny an application if it appears that the person  
27 who would receive the proceeds has adequate means of financial support,  
28 including, but not limited to, insurance or workers' compensation benefits.

29 **3. Rules.** The Chief of the State Police shall adopt rules in accordance with Title 5,  
30 chapter 375 to carry out this section.

31 **4. Posting.** An organization licensed to conduct a game of chance pursuant to  
32 section 1832 shall post in a conspicuous place in the room or hall where games of chance  
33 are conducted a sign that states the net revenue earned from the operation of the game in  
34 dollars and cents, the amount of charitable donations from that net revenue in dollars and  
35 cents, what percentage in dollars and cents of the net revenue that amount represents in  
36 donations to nonprofit activities and what percentage of the net revenue was distributed  
37 from licensed games for the previous calendar year and has been distributed in the current  
38 calendar year. For the purposes of this subsection, "calendar year" means January to  
39 December.

1        **§1838. Licensee records and reports**

2        **1. Records required.** Each licensee shall keep a record of all financial transactions  
3        involving games of chance operated under each license granted to the licensee. The  
4        treasurer of the licensee or another officer designated by the treasurer is responsible for  
5        maintaining those records. The records must include an exact account of all revenue  
6        from the games, an itemization of all expenses, including, but not limited to, the cost of  
7        prizes, printing, licenses and administration, and the disposition of all proceeds,  
8        including, but not limited to, all gifts, grants and payments to any person, firm,  
9        corporation, association or organization for any purpose whatsoever. All financial  
10       records involving games of chance must be separate and distinguishable from other  
11       records of the organization. Revenue from more than one game of chance may be entered  
12       into one account.

13       **2. Records required for licensee employing tokens.** If a licensee employs tokens  
14       to account for revenue from games of chance and if the licensee maintains direct control  
15       over the sale and redemption of the tokens and keeps accurate records of all tokens used,  
16       then the chief may by rule alter or reduce the record-keeping requirements of subsection 1  
17       to the extent that a licensee's use of tokens renders those records unnecessary for adequate  
18       control of the licensee's games.

19       **3. Disposition of funds reports.** Within 10 business days after the last day of any  
20       period during which a licensed game of chance is conducted with other than an annual  
21       license or within 10 business days after the end of each calendar month during which a  
22       licensed game of chance is conducted with an annual license, the licensee shall file with  
23       the Chief of the State Police a disposition of funds form prescribed and furnished by the  
24       Chief of the State Police, detailing for the period the total receipts and expenditures of the  
25       game and the disposition of funds. Every statement must be made under oath by an  
26       officer of the licensee or by the member in charge of the conduct of the game.

27       **4. Disposition of funds reports from licensee using tokens.** If tokens are  
28       employed to account for revenue from games of chance, then the licensee shall report the  
29       number of tokens sold, the number redeemed and the disposition of funds from the  
30       proceeds of sale in addition to such other information as the chief may require under  
31       subsection 3.

32       **5. Records maintained for 3 years.** Every licensee that has conducted a game of  
33       chance shall maintain and keep for a period of 3 years reports as may be necessary to  
34       substantiate the records and reports required by this section or by the rules adopted under  
35       this chapter.

36       **6. Location.** All records maintained by a licensee pursuant to this section and  
37       pursuant to the rules adopted under this chapter must be kept and maintained on the  
38       premises where the game of chance has been conducted or at the primary business office  
39       of the licensee, which must be designated by the licensee in the license application.  
40       These records must be open to inspection by the Chief of the State Police or the chief's  
41       representative, and a licensee may not refuse the Chief of the State Police or the chief's  
42       representative permission to inspect or audit the records. Refusal to permit inspection or

1 audit of the records does not constitute a crime under this chapter but constitutes grounds  
2 for revocation of license.

3 **§1839. Distributors and printers; records and reports**

4 **1. Printers licensed.** A printer in the State may not print materials to be used in the  
5 conduct of a licensed game of chance unless licensed by the Chief of the State Police. A  
6 printer licensed under this section may act as a distributor without having to be licensed  
7 as a distributor as long as neither the printer nor anyone on the printer's behalf acts as a  
8 seller for services connected with a game of chance outside of the confines of the printer's  
9 premises described in that printer's license. If that printer or someone else acts as a seller  
10 for the printer's services in connection with a game of chance outside of the premises  
11 described on that printer's license, either that printer or any person or persons acting on  
12 that printer's behalf must be licensed as a distributor under subsection 2.

13 The applicant for a printer's license, or, if the applicant is a firm, corporation, association  
14 or other organization, its resident manager, superintendent or official representative shall  
15 file an application with the Chief of the State Police on a form provided by the Chief of  
16 the State Police. The Chief of the State Police shall furnish to each applicant a current  
17 copy of this chapter and the rules adopted under section 1842 and to each licensee a copy  
18 of any changes or additions to this chapter and the rules adopted under section 1842.

19 **2. Distributors licensed.** A distributor may not sell, lease, market or otherwise  
20 distribute gambling apparatus or implements unless licensed by the Chief of the State  
21 Police, except that a license is not required for the sale, marketing or distribution of raffle  
22 tickets when the holder of the winning chance receives something of value worth less  
23 than \$10,000.

24 A nonresident manufacturer or distributor of gambling apparatus or implements doing  
25 business in the State must have an agent in this State who is licensed as a distributor. A  
26 distributor may not sell, market or otherwise distribute gambling apparatus or implements  
27 to a person or organization, except to persons or organizations licensed to operate or  
28 conduct games of chance under section 1832, licensed to conduct a special raffle under  
29 section 1836, subsection 2 or 3 or eligible to conduct a raffle pursuant to section 1836,  
30 subsection 1. A distributor may not lease or loan or otherwise distribute free of charge  
31 any gambling apparatus or implements to an organization eligible to operate a game of  
32 chance, except that a distributor may lease gambling apparatus or implements to an  
33 agricultural society licensed to operate games of chance on the grounds of the agricultural  
34 society and during the annual fair of the agricultural society as long as the distributor  
35 does not charge the agricultural society an amount in excess of 50% of the gross revenue  
36 from any licensed game of chance.

37 A licensee shall acquire gambling apparatus and implements from a distributor licensed  
38 under this section, unless the gambling apparatus or implements are printed,  
39 manufactured or constructed by the licensed organization. At no time may any licensee  
40 print, manufacture or construct any gambling apparatus or implements for distribution to  
41 any other licensee. The applicant for a distributor's license, or, if the applicant is a firm,  
42 corporation, association or other organization, its resident manager, superintendent or  
43 official representative shall file an application with the Chief of the State Police on a form  
44 provided by the Chief of the State Police. The Chief of the State Police shall furnish to

1 each applicant a current copy of this chapter and the rules adopted under section 1842 and  
2 to each licensee a copy of any changes or additions to this chapter and the rules adopted  
3 under section 1842.

4 **3. Sales agreements.** A distributor shall forward to the Chief of the State Police,  
5 prior to delivery of any gambling machine to the purchaser, a copy of all sales  
6 agreements, sales contracts or any other agreements involving the sale of any gambling  
7 machine. The terms of the sales contract must include, but are not limited to, the name of  
8 seller, name of purchaser, address of seller, address of purchaser, description of the  
9 gambling machine including serial number and model name and number, total sale price,  
10 any arrangement or terms for payments and the date of final payment.

11 Any change, modification or alteration of these agreements must be reported to the Chief  
12 of the State Police by the purchaser within 6 days of the change, modification or  
13 alteration.

14 **4. Service agreements.** With the sale of any gambling machine involving a service  
15 agreement, the distributor shall forward to the Chief of the State Police a copy of the  
16 agreement prior to delivery of the machine. The terms of the service agreements must  
17 include, but are not limited to, the name of seller, name of purchaser, address of seller,  
18 address of purchaser, description of machine to be serviced including serial number and  
19 model name and number and all prices and payments for that service.

20 Any change, modification or alteration of the agreement must be reported to the Chief of  
21 the State Police by the purchaser within 6 days of the change, modification or alteration.

22 **5. Agricultural societies; lease agreements.** When a gambling apparatus or  
23 implement is leased as provided in subsection 2 to an agricultural society, the distributor  
24 shall forward to the Chief of the State Police a copy of the lease agreement prior to  
25 delivery of the gambling apparatus or implement. The terms of the lease must include,  
26 but are not limited to, the name of the lessor; address of the lessor; name of the lessee;  
27 address of the lessee; description of the gambling apparatus or implement; serial number,  
28 model name or number of the gambling apparatus or implement; and all prices and  
29 payments for the lease. Each lease must be for a specific period of time no longer than  
30 the duration of the annual fair of that lessee, and each gambling apparatus must have its  
31 own separate lease. Gambling apparatus or implements leased under this section:

32 A. May be operated only for the exclusive benefit of the agricultural society, except  
33 that the agricultural society may pay a distributor up to 50% of gross gaming revenue  
34 in accordance with subsection 2; and

35 B. Must bear the name and address of the distributor.

36 **6. Reports.** At the end of each calendar month, a distributor or printer shall file with  
37 the Chief of the State Police a report indicating:

38 A. The names and addresses of all persons or organizations to which the distributor  
39 or printer has distributed equipment and the dates of the distribution;

40 B. A description of the equipment distributed, including serial number and model  
41 name and number; and

1           C. The quantities of any equipment distributed.

2           **7. Retention and inspection of records.** A distributor or printer shall maintain and  
3 keep for a period of 3 years, on the premises of the distributor or printer, any records that  
4 may be necessary to substantiate the reports required by this section or by the rules  
5 adopted under this chapter. The records must be open to inspection, and a licensee may  
6 not refuse the Chief of the State Police or the chief's representative permission to inspect  
7 or audit the records. Refusal to permit inspection or audit of the records does not  
8 constitute a crime under this chapter but constitutes grounds for revocation of license.

9           The Chief of the State Police shall require from any licensed printer or distributor, or  
10 from any organization authorized to operate a game of chance, whatever reports  
11 determined necessary by the chief for the purpose of the administration and enforcement  
12 of this chapter.

13           **§1840. Prohibited acts**

14           **1. Schemes prohibited.** A license may not be issued under this chapter for the  
15 conduct or operation of a machine, a slot machine, roulette or games commonly known as  
16 policy or numbers, except that a license may be issued for an electronic video machine.  
17 An electronic video machine that constitutes a game of chance is fully governed by this  
18 chapter.

19           **2. Prohibited games.** The following games are prohibited:

20           A. A game that uses objects that are constructed, designed or altered to be other than  
21 what they appear to be and to respond in a way other than that in which the average  
22 player would assume that they would respond, unless that construction, design or  
23 alteration is permitted in the rules governing that game and the construction, design  
24 or alteration meets the requirements of those rules;

25           B. A game in which the operator either partially or entirely controls the outcome of  
26 the game by the operator's manner of operating or conducting the game;

27           C. A game in which the outcome depends upon the word of the operator against the  
28 word of the player; and

29           D. A game of skill that includes any mechanical or physical device that directly or  
30 indirectly impedes, impairs or thwarts the skill of the player.

31           **3. Glass prohibited.** The use of glass is prohibited in games of skill pursuant to  
32 Title 32, section 1873.

33           **§1841. Investigations and actions on licenses; evidence**

34           **1. Investigation.** The Chief of the State Police shall investigate or cause to be  
35 investigated all complaints made to the chief and all violations of this chapter or the rules  
36 adopted pursuant to section 1842.

37           **2. Refusal to issue, modify or renew; modification; suspension; revocation.** It is  
38 grounds for an action to refuse to issue, modify or renew or to modify, suspend or revoke  
39 the license of a distributor or printer licensed under this chapter if:

1 A. The distributor or printer or its resident manager, superintendent or official  
2 representative made or caused to be made a false statement of material fact in  
3 obtaining a license under this chapter or in connection with service rendered within  
4 the scope of the license issued;

5 B. The distributor or printer or its resident manager, superintendent or official  
6 representative violated any provision of this chapter or any rule adopted by the Chief  
7 of the State Police under section 1842.

8 (1) Except as provided in subparagraph (2), the Chief of the State Police shall  
9 give written notice of any violation to the distributor or printer who then has 14  
10 days to comply. Failure to comply within the 14-day period is grounds for an  
11 action under this section.

12 (2) If a distributor or printer violates section 1839, subsection 1 or 2, the Chief of  
13 the State Police is not required to give the notice or allow the compliance period  
14 provided in subparagraph (1); and

15 C. The distributor or printer or its resident manager, superintendent or official  
16 representative has been:

17 (1) Convicted of a crime under this chapter or Title 17-A, chapter 39; or

18 (2) Convicted within the prior 10 years of any crime for which imprisonment for  
19 more than one year may be imposed.

20 **3. Chief of the State Police.** The Chief of the State Police may:

21 A. Investigate all aspects of this chapter including the direct and indirect ownership  
22 or control of any licenses;

23 B. Suspend, revoke or refuse to issue a license, after notice and the opportunity for a  
24 hearing, if the applicant, applicant's agent or employee, licensee or licensee's agent or  
25 employee violates a provision of this chapter or Title 17-A, chapter 39 or fails to  
26 meet the statutory requirements for licensure pursuant to this chapter;

27 C. Immediately suspend or revoke a license if there is probable cause to believe that  
28 the licensee or the licensee's agent or employee violated section 1832, subsection 7,  
29 paragraph C; section 1840, subsection 2; or a provision of Title 17-A, chapter 39; and

30 D. Issue a subpoena in the name of the State Police in accordance with Title 5,  
31 section 9060, except that this authority applies to any stage of an investigation under  
32 this chapter and is not limited to an adjudicatory hearing. This authority may not be  
33 used in the absence of reasonable cause to believe a violation has occurred. If a  
34 witness refuses to obey a subpoena or to give any evidence relevant to proper inquiry  
35 by the chief, the Attorney General may petition the Superior Court in the county  
36 where the refusal occurred to find the witness in contempt. The Attorney General  
37 shall cause to be served on that witness an order requiring the witness to appear  
38 before the Superior Court to show cause why the witness should not be adjudged in  
39 contempt. The court shall, in a summary manner, hear the evidence and, if it is such  
40 as to warrant the court in doing so, punish that witness in the same manner and to the  
41 same extent as for contempt committed before the Superior Court or with reference to  
42 the process of the Superior Court.

1           **4. Licensing actions after notice and opportunity for hearing.** The Chief of the  
2 State Police shall notify the applicant or licensee in writing, before a license is denied,  
3 suspended or revoked pursuant to subsection 3, paragraph B, of the intended denial or  
4 commencement date of the suspension or revocation, which may not be made any sooner  
5 than 96 hours after the licensee's receipt of the notice, of the duration of the suspension or  
6 revocation and of the right to a hearing pursuant to this subsection. The applicant or  
7 licensee has the right to request a hearing before the Commissioner of Public Safety or  
8 the commissioner's designee. Upon the applicant's or licensee's request for a hearing, the  
9 Commissioner of Public Safety shall provide a hearing. The hearing must comply with  
10 the Maine Administrative Procedure Act. The purpose of the hearing is to determine  
11 whether a preponderance of the evidence establishes that the applicant, applicant's agent  
12 or employee or the licensee or licensee's agent or employee violated a provision of this  
13 chapter or Title 17-A, chapter 39. A request for a hearing may not be made any later than  
14 10 days after the applicant or licensee is notified of the proposed denial, suspension or  
15 revocation. The suspension or revocation must be stayed pending the hearing; the  
16 hearing may not be held any later than 30 days after the date the commissioner receives  
17 the request unless otherwise agreed by the parties or continued upon request of a party for  
18 cause shown.

19           **5. Immediate suspension or revocation.** A licensee whose license is immediately  
20 suspended or revoked by the Chief of the State Police pursuant to subsection 3, paragraph  
21 C must be notified in writing of the duration of the suspension or revocation and the  
22 licensee's right to request a hearing before the Commissioner of Public Safety or the  
23 commissioner's designee. Upon the licensee's request for a hearing, the Commissioner of  
24 Public Safety shall provide a hearing. The hearing must comply with the Maine  
25 Administrative Procedure Act. The purpose of the hearing is to determine whether a  
26 preponderance of the evidence establishes that the licensee or the licensee's agent or  
27 employee violated section 1832, subsection 7, paragraph C; section 1840, subsection 2; or  
28 a provision of Title 17-A, chapter 39. A request for a hearing may not be made any later  
29 than 48 hours after the licensee is notified of the suspension or revocation. A hearing  
30 may not be held any later than 10 days after the date the commissioner receives the  
31 request.

32           **6. Access to premises.** A person, firm, corporation, association or organization  
33 making application to the Chief of the State Police to conduct or operate a game of  
34 chance or any such person, firm, corporation, association or organization authorized  
35 under this chapter to conduct or operate a game of chance shall permit inspection of any  
36 equipment, prizes, records or items and materials used or to be used in the conduct or  
37 operation of a game of chance by the Chief of the State Police or the chief's authorized  
38 representative.

39           A firm, corporation, association or organization licensed to conduct or operate a game of  
40 chance shall permit at any time the Department of Public Safety or the city or town fire  
41 inspectors of the municipality in which the licensed game is being conducted to enter and  
42 inspect the licensed premises.

1        **§1842. Rules**

2        The Chief of the State Police has the power to adopt routine technical rules, not  
3 inconsistent with law, necessary for the administration and enforcement of this chapter  
4 and for the licensing, conduct and operation of games of chance. The Chief of the State  
5 Police has the power and authority to regulate, supervise and exercise general control  
6 over the operation of such games. In establishing such rules, the Chief of the State Police  
7 must, in addition to the standards set forth in other provisions of this chapter, set forth  
8 conduct, conditions and activity considered undesirable, including:

9            **1. Fraud.** The practice of any fraud or deception upon a participant in a game of  
10 chance;

11            **2. Unsafe premises.** The conduct of a game of chance in or at premises that may be  
12 unsafe due to fire hazard or other such conditions;

13            **3. Advertising and solicitation.** Advertising that is obscene or solicitation on a  
14 public way of persons to participate in a game of chance;

15            **4. Organized crime.** Infiltration of organized crime into the operation of games of  
16 chance or into the printing or distributing of gambling materials;

17            **5. Disorderly persons.** Presence of disorderly persons in a location where a game of  
18 chance is being conducted;

19            **6. Leasing of equipment.** Use of equipment not owned by a licensee used in the  
20 operation of games of chance; and

21            **7. Bona fide nonprofit organization.** The establishment of organizations that exist  
22 primarily to operate games of chance and do not have a bona fide nonprofit charitable,  
23 educational, political, civic, recreational, fraternal, patriotic, religious or public safety  
24 purpose.

25        The Chief of the State Police shall provide a mechanism for individuals and  
26 businesses to request a determination from the State Police as to whether a particular  
27 game, contest, scheme or device qualifies as a game of chance or a game of skill.

28        **§1843. Violations**

29        A person who violates this chapter or rules adopted in accordance with this chapter  
30 commits a Class D crime.

31        **§1844. Administration expenses**

32        Fees received in accordance with this chapter must be used to administer and enforce  
33 the provisions of this chapter.
