24 **SUMMARY**

25 This bill amends the Hospital and Health Care Provider Cooperation Act, which
26 applies to mergers of covered entities, which are defined as hospitals and health care
27 providers. Currently the Act applies only to a merger of a hospital with a hospital or of a
28 health care provider with a health care provider. This bill makes the Act apply also to a
29 merger of a hospital with a health care provider.
